PRINCIPAL'S MESSAGE

Prof. Haritma Chopra

Warm Greetings to everyone! Before I begin my address, on behalf of the entire Maitreyi fraternity, I'd like to express immense gratitude to the Indian Armed Forces whose tireless service and fortitude have always ensured that we, the citizens of this country are safe at all times. And this is one of the reasons why we are able to organize events at such a grand scale and celebrate important occasions as today! As a mark of our respect to the armed forces, I request everyone to rise and let us together proclaim, Jai Hind!

The pride of being an Indian is paramount as the country registers phenomenal growth and the world witnesses values which have charted this ascent. Scientific temperament, sustainability, innovation and inclusivity, are a few of these values and quality education is a cornerstone of them all. It is with immense pride I state that at Maitreyi College, we too are driven by these values. The year's achievements reflect a fulfilment of this goal. This feeling of pride is even more special, as I present this year's Annual Report as a Permanent Principal of this college. I'd like to thank my entire Maitreyi fraternity for their cooperation and affection throughout!

Today as we witness the **58th Annual Day of Maitreyi College**, I warmly welcome all our esteemed guests on this important occasion, as we celebrate the achievements and contributions of each member of the *Maitreyi Kutumb*. The Upanishads reiterate *Vasudaiva Kutumbukam* and we at Maitreyi also view ourselves as a *kutumb*, a family, that strives for excellence and works towards effective contribution to society and the nation at large. With this thought I warmly welcome you all.

We have amongst us **Shri K.N. Shrivastava, Director, India International Centre, New Delhi** as our **Chief Guest**. We welcome you Sir! Mr. Shrivastava had an outstanding career as an Indian Administrative Service Officer of Karnataka Cadre. He joined IAS in 1978 and superannuated in 2014. He held several important positions in Dairying, Power, Irrigation, Urban - Transportation and Mining sectors in Karnataka State. Mr. Shrivastava's most notable achievement was the implementation of Upper Krishna Project, an Irrigation and Power Project across Krishna River which now provides irrigation to about 15 lakh acres of agricultural lands in the northern districts of Karnataka and generates about 300 megawatt of power. It also provides drinking water to over 2000 villages and to a large number of towns. Mr. Shrivastava successfully managed Hutti Gold Mining Co., the lone gold producing company in India, for 5 years as its chairman & Managing Director. He was the first Managing Director of Bangalore Metro Rail Corporation. In the Central Government, Mr. Shrivastava worked in the Ministries of Civil Aviation, External Affairs, Culture, Railways and Earth Sciences. He also worked as Director General of Archaeological Survey of India. He retired from the post of Secretary, Ministry of Civil Aviation, Government of India. Post

retirement, Mr. Shrivastava worked as a Member, National Disaster Management Authority (NDMA) in the rank of Minister of State, Government of India and as a Judge in Central Administrative Tribunal, before joining as Director of India International Centre, New Delhi in 2019. It is our honour to have you sir amidst us today!

It is a pleasure to have with us as our Guest of Honour, **Prof. Anu Aggarwal, Treasurer, Governing Body, Maitreyi College**. She is a Professor in the Department of Operational Research with more than 22 years of experience. She is also an Honorary Professor in the Faculty of Open learning, University of Delhi. Her key research interests include mathematical modelling and optimization in Consumer Buying Behaviour, Innovation-Diffusion modelling; Electronic Commerce. Prof. Aggarwal has more than 120 research publications and has guided more than 20 M.Phil. and 7 Ph.D. students. In 2009, she was awarded Young Researcher Award for Applications of Soft Computing Techniques in Software Reliability at 4th International Conference on Quality, Reliability and Infocom Technology. She has also been Member of the UGC Expert Committee for evaluation of Colleges & State Universities. We welcome you!

Presiding over the occasion we have with us **Prof. Jagreet Kaur, Chairperson Governing Body, Maitreyi College**, University of Delhi. Prof. Kaur is a Professor at the Department of Genetics, University of Delhi and has an experience of over 18 years. Her research focusses on understanding the genetics of resistance to major pathogens. Her work has had a global impact. She was a Postdoctoral Fellow at Max Planck Institute for Plant Breeding, Germany. She has guided many PhD scholars, has several Masters Research Trainees and Summer Trainees working under her supervision. She has over 30 publications in journals of international repute and book chapters. A recipient of various project grants, Prof. Kaur is a seminal name in the field of Genetics. We warmly welcome you!

As our special invitee we have with us **Shri Manoj Agrawal Ji, Member, Governing Body**, Maitreyi College. He is a renowned Chartered Accountant with over 28 years of experience in Audit, Direct Tax, Finance and Consultancy. He has held various positions of responsibility such as Treasurer, Jan Kalyan Nyas, Delhi, Vice-President, Sewa Bharti, West Delhi among various other significant positions. We welcome you! We also have with us as our **Special Invitee, Shri Deo Dharam Choudhary Ji, Member, Governing Body**, Maitreyi College who is also a renowned industrialist. We welcome you! We also welcome **Ms. Preeti Dogra, Member, Governing Body**, Maitreyi College who is also our Special Invitee for the day. Ms. Dogra is a Social Worker of repute. She is Vice President SC/ST Board of Delhi, and has played a crucial part in elections. I also welcome our faculty members, retired faculty members, alumni, non-teaching staff, parents and dear students.

Before I share with you the key highlights of our institution's achievements in the past one year, I'd like to mention that the year 2024-25 proved to be a yet another significant year as several awards and recognitions came our way:

- **NAAC accredited A++ and NIRF Rank 29**, our college received an **All India Rank 11** under the non-autonomous category, in the **Education World India Higher Education Rankings**. This rank is based on *perception* of the institution nationwide.
- The College also got the '**Best Innovator Award**' at the International Skill, Startup, and Entrepreneurship Exhibition organised by the University of Delhi. 27 faculty members from various departments represented the institution and received the award.
- We also received '**Environmental Sustainable Education Distinction Award**' by the Indian Institute of Ecology and Environment. Prof. Rama Sisodia (Botany) and Dr. P. Kavita (Botany) received the award on behalf of the college.

- For value education, the college received '**Divine Wisdom Award for Spiritual Education**', at the Spiritual and Value Education Summit 2025. Dr. Kamal Sharma (Botany), Dr. Shweta Sharma (Botany), and Ms. Aditi Ahlawat (Environmental Science) received the award on behalf of the college.
- The college also received '**World Peace Education Promotion Award**' at the World Peace Congress 2024, organized by International Association of Educators for World Peace. Prof. Pinky B. Gandhi (Vice-Principal), Prof. Ranjana Bhattacharya (History) and Dr. Rachna Jain (Economics) received the award.
- Significantly, early this year we witnessed our **first Academia-Industry collaboration** with Vikas Lifecare Ltd, for research in Nanotechnology. The college received lab equipment and chemicals worth Rs. 11 lakhs and a cheque of Rs. 2.5 lakhs.
- Here I'd like to mention that our College was **one of the first few colleges to organize a Faculty Development Program on AI and Pedagogy**. It was titled '*Reinventing Pedagogy in the Age of AI: Methods, Approaches & Perspectives*'.
- Department of Commerce organized a **Two-day National Conference** on 'Viksit Bharat 2047: Reimagining Management and Business Practices in the Age of AI'. For this, they received a grant of Rs. 2.5 lakhs from ICSSR and a grant from Punjab National Bank.
- During our Annual International Conference ***Equinox 2024***, the college had the privilege of hosting a Book Launch of *Genome to Om: Evolving Journey of Modern Science to Meta-science* authored by **Prof. Bhushan Patwardhan**, National Research Professor at the Ministry of Ayush, Government of India and Ms. Indu Ramchandani. We were honoured to have as our Chief Guest **Prof. Yogesh Singh, Hon'ble Vice Chancellor, University of Delhi**. The Book Discussion involved Dr. Rajiv Kumar (Former Vice-Chairman, NITI Aayog), Sh.Vaidya Rajesh Kotecha (Ministry of Ayush), Dr. Vinay Sahasrabuddhe (Former Member of Parliament and President, ICCR), Dr. Shashikala (Vice Chancellor, National Institute of Educational Planning and Administration (NIEPA), Dr. Jayant Deopujari (Chairman, NCISM), among various other eminent personalities.
- I'm happy to share that this year with the publication of the April 2025 issue of *Vantage: Journal of Thematic Analysis*, International Peer-reviewed Open Access Multidisciplinary Journal (ISSN 2582-7391), we achieved another milestone. The journal is now published on **OJS-PKP platform, with a fully automated submission and review system**. Another new initiative of the Centre for Research, *Prashikshuta Programme*, was also launched. It enables the faculty to mentor students from other institutions for internships and projects. Eight internships were successfully undertaken- a promising start to inter-institutional academic exchange.
- Combining our commitment to innovation and inclusion, in collaboration with the NGO *Cure India*, the college developed **India's First Indoor Navigation App-*Canary***, launched by **Hon'ble Cabinet Minister Dr. Virender Kumar Ji**, Ministry of Social Justice and Empowerment, Government of India, at Pandit Deendayal Upadhyay National Institute for Persons with Physical Disability. 7 students from our college were part of the App Development team. Another project, AXI Technology of Accessible Art, was inaugurated during *Astitwa*, NSS Fest 2025. This technology, a joint effort of *Cure India*, other experts and our NSS students enables the visually challenged individuals to experience art.
- The college hosted over 200 dignitaries across various cultural and academic events in 2024-25.
- The college also won **24 Awards** at the **Annual Flower Show 2025**, organised by University of Delhi.

- Maitreyi College was also honoured with the title 'Eat Right Campus' by FSSAI for the duration August 1, 2024 to July 31, 2026.

Academic Excellence

In 2024-25, the college witnessed 1010 first divisions in the first year, 905 in the second year and 972 in the third year, while the pass percentage was over 94%. Here, I'd like to mention **Aahna Tanwar**, a student of Department of Economics who cleared the university exam with a CGPA of 9.52 (95.27%) and stood First in Delhi University. My congratulations!

Our students have also made a distinctive mark in All India Competitive Exams. Cdt. Sgt Akanksha Chand secured AIR 72 in NDA and NA (I) examination. **Cdt. Panjul Singh** cleared SSB with AIR 73. **Cdt. Riya Mina** secured First Position in a quiz competition organised by the Delhi Directorate. Here, I would like to mention a flagship initiative by IQAC, the **Meritorious Student Award**, which has been instituted to acknowledge the efforts and achievements of our students. Student Progression Reports indicate the multifaceted engagements of our students across various domains, not just within college but also at the State, National and International level. A third year student of B.Sc.(H) Physics, **Ms. Aliya**, was selected for a Summer Student Program at the **Institute of Physics, Academia Sinica, Taiwan** and another student, **Ms. Himani Chaudhary**, B.Sc. Life Science, Third Year, is all set to join the M.Sc. Program at the prestigious **Indian Institute of Science, Bangalore**. My best wishes!

Learning Outcome: Research and Cultural Excellence

We proudly note that classroom teaching has inspired many of our students to engage in academic projects under the mentorship of our faculty. During the Summer Internship Program (SIP) 2024, organized by the Centre for Research, we witnessed completion of 28 research projects involving over 85 students and over 44 faculty members. The theme for the SIP 2023-24 was *Systems of Knowledge in India: Moving Towards Self-Reliance*. 3 Annual Research Projects (ARPs) involved 8 faculty members and 15 students. Apart from these projects incubated by Centre for Research (CFR), 5 other projects were undertaken by 12 of our students under the mentorship of our faculty members. They presented their findings at various platforms outside college and won accolades. With this, the total number of research projects in the year 2024-2025 comes to 36, involving 112 students. My congratulations to the students and the faculty for taking the spirit of learning beyond classroom.

Our students stood out in extra-curricular activities as well. Maitreyi College has a vibrant mix of 41 cultural and academic societies, various clubs and cells, offering students a platform to sharpen their skills beyond classroom. This year, the college achieved remarkable success in cultural competitions, winning a total of 184 awards. Additionally, students actively participated in NCC and NSS events, representing the college at various forums. **Aditya R**, a student of B.A. (Hons.) Political Science emerged a National Winner, securing **1st position in Solo Classical Dance Competition** at the 37th (2024) and 38th (2025), **National Youth Festival** organized by the Association of Indian Universities. I'm happy to mention that this year, Maitreyi College, for the very first time, hosted the **Model United Nations (MUN) and Asian Parliamentary Debate** in the college. This was organized by Trenchant, the English Debating Society. My congratulations to the team!

Students' achievements are a true measure of success of the teaching-learning in an institution. The achievements of our faculty also testify to this fact. Last year, we witnessed 115 research publications by our faculty members, 54 paper presentations, in addition to 14 books and 22 book

chapters authored. Further, 15 faculty members won various awards and distinctions and 5 teachers were awarded Ph.D. in their respective areas of expertise. It is a matter of immense pride for our institution that 14 faculty members are also recognized as PhD supervisors at present. Additionally, 159 FDPs, FIPs, and other programs saw our faculty in attendance, reflecting their endeavour to up-skill themselves. 122 teachers were also invited as speakers and experts for various research and training programs.

In the year 2024-25, the college published 2 issues each of Peer-reviewed e-Research Magazine, *Samvedna* (ISSN 2581-9917) and *Vantage: Journal of Thematic Analysis*, International Peer-reviewed Open Access Multidisciplinary Journal (ISSN 2582-7391), and one issue of multilingual college magazine *Maitreyi* (ISBN (978-81-952826-1-6) in addition to around 19 newsletters and magazines released by different departments, cells and clubs in the college. I'm happy to share that even our students contribute to knowledge creation with their participation in the Editorial Team of these magazines and newsletters. My congratulations to everyone!

Innovation and Skill Enhancement

One of the foremost examples of innovation, skill enhancement and employability are the entrepreneurial ventures in our college. The college has 21 startups conceptualised and run by our students and faculty. And this number keeps growing each year. Here, I would like to mention *Kasturi Herbals*, a faculty-led startup of 100% natural personal care products. This venture has grown extensively over the last one year with a total of 75 products. Their products comprise personal care products for kids, men and women, and care products for pets as well. They also have a range of medicated products. The venture has received wide attention, even globally. A professor from Poland used products by *Kasturi Herbals* and highly appreciated them. Last year, he visited our college only to procure some of these products for himself and his family. He is Prof. Mariusz Misztal, Professor of History, who also holds the Chair Institute of English Studies at the University of National Education Commission, Krakow, Poland. This startup also garnered attention at the International Skill, Startup, and Entrepreneurship Exhibition organised by University of Delhi. *Kasturi Herbals* was an outcome of the Skill Enhancement Course 'Chemistry of Cosmetics'. Here, I must also mention that Delhi University sanctioned a grant of Rs. 15 lakhs for our college Skill Centre *Atharvan*. This will provide a major impetus in skill-development and enhancement at Maitreyi.

Our student Ishita, from B.A.(P) Computer Applications, formed her startup, *IYRA Media*, which was listed by Silicon India Magazine as one of the 'Ten Best Influencer Marketing Startups 2024'. Unmodaya Foundation's *Riding Rangers*, a startup of our alumna Riya Aggarwal, was awarded Best Innovator at the International Skill, Startup, and Entrepreneurship Exhibition organised by the University of Delhi, September 4-6, 2024. Jhanvi Sharma, a student of 2020 batch, formed her startup *Stay-Mentor* while in college, and since then it has achieved great heights. Until last year, her startup had helped 564 out-station students for accommodation. She generated a revenue of Rs. 3 lakhs with profit of Rs 1.8 lakhs. All our startups are a result of immense hardwork and dedication of our students and teachers, all the year round. My congratulations to them all.

It is a matter of pride to note here that ventures by our faculty, current students and even those by our former students enrich the startup ecosystem at Maitreyi, making it a robust hub of innovation. The college Garden Committee also spearheaded a unique initiative. Students under the mentorship of the faculty undertook the generation of QR Codes for all trees and plants on the college campus. These QR Codes carry details of each tree and plant, enabling ease of identification and creating a digital database of the college flora.

Academic and research initiatives are supplemented by our college library which continues to be a valuable resource for all. Last year, the library enhanced its digital presence. The subscription to One Nation One Subscription (ONOS) and N-LIST Consortium, also enabled access to global research as well as DU e-library e-resources. Further the library is equipped with latest versions of the Plagiarism check software such as Turnitin and Drillbit. An all new RFID system was also installed and launched in the library last year, automating various processes.

Another aspect of experiential learning is evident through numerous educational trips undertaken last year. Over 40 field trips were organized by different departments to various labs, museums, NGOs, historical excavation sites, ecological conservation facilities among others, offering students an opportunity to experience relevance of theoretical concepts in real life. These visits formed a veritable bridge between the classroom and the industry.

Employability

This atmosphere of research and innovation in the college, led to significant milestones in employability of our students. During the Placement Drive *Envision*, out of 978 applicants exclusively for internships, 408 students got internship offers with the highest internship stipend being Rs. 25000. And out of 201 applicants for jobs, 68 were placed successfully. The college witnessed a footfall of 45 companies for job hirings and 118 companies who came for hiring students for internships. These numbers indicate the dynamism of both, our students and teachers whose efforts take the teaching-learning process to this fruitful juncture, where we witness our students become successful working professionals.

Inclusivity

Various initiatives in the college reflect our efforts in the domain of inclusivity, but I will highlight just a few. In collaboration with the Special Olympics Bharat, NGO CURE India, Rotary Club, the college organized various events. In July last year, we jointly organised a National Football Coaching Preparatory Training Camp for Indian athletes participating in the Gothia Cup in Sweden. We trained 46 para-athletes in skill, strategy, and teamwork. Further, we jointly hosted the Special Olympics Asia Pacific Regional Games in November 2024. This witnessed participation from 12 countries. On our Annual Sports Day 2025, we felicitated Differently Abled students who won awards in different sports across various competitions. This was an initiative by the college to encourage unified sports.

The college NSS in association with The Rotaract Club of Delhi Midtown Maitreyi organized various camps and programs. NSS also organized *Navoudit*, a festival where underprivileged school children, trained by our students, participate in various competitions and events showcasing their talent. This event witnessed participation of over 2000 children. Last month, our NSS students were selected as volunteers for the Jnanpith Award 2025 at Vigyan Bhawan, New Delhi. It was a moment of immense pride for the entire Maitreyi fraternity. And as I had mentioned in the beginning of my address, our collaboration with NGO Cure India led to the development of technology that proved decisive in the domain of accessibility. Both, the indoor navigation app and the AXI technology that make art accessible to the visually impaired- both are significant efforts in the direction of inclusivity.

Other Significant Developments

During the last financial year, we undertook significant infrastructure upgradations ranging from the installation of 70 CCTV cameras across the college campus, to procurement of 25 All-in-One Computers, one state-of-the-art interactive panel, construction of a new Tissue Culture

Laboratory, development of a new Rock Garden, laying of the IGL Gas Pipeline, installation of the RFID system in the college library among various other additions. Here, I must acknowledge the efforts of entire Non-Teaching Staff in facilitating procurement and successful implementation of these facilities. Not just in administrative work, our Non-teaching staff also bring laurels with their active participation in other initiatives as well. They won the Dr. Savita Datta Memorial 5th T-20 Cricket Tournament, winning against cricket teams from across all colleges of the University. Further, a cricket team of the college, comprising both teaching and non-teaching staff, led by our Administrative Officer, Mr. Ranu, were Runners-up in the Dr. Bhim Rao Ambedkar College Staff Cricket Tournament. Mr. Anil Chhillar (Lab Attendant, Department of Zoology) received the Best Batsmen award in Delhi University Staff Club T-20 Cricket Tournament.

Each year, on the Annual Day, while we celebrate our achievements, we also take a moment to fondly cherish the contribution of those who superannuated in the past one year. Prof. Ranjana Bhattacharya, Department of History, retired this year in January. We fondly cherish her academic rigour and not to forget her exceptional talent of singing. Sh. Hans Raj Saklani, Lab Assistant, Department of Chemistry also completed his term of service with us in March this year, while Sh. VK Rai, Lab Assistant, Department of Chemistry and Mrs. Meena Malhotra, Technical Assistant, Botany Lab and Zoology Lab completed their term in December last year. The lab work would not have been as seamless, without the able presence of Sh. Saklani ji, Sh. Rai and Mrs. Malhotra. We wish them health and happiness, as they enter a yet another beautiful phase of life.

As our achievements continue, I now draw my speech to a close. I hope the tradition of academic distinction, innovation and holistic development continues to inspire us all and we achieve new milestones each year. I'd like to thank the IQAC for their hard work in compiling the Annual Report, the Students Union convenors and their entire team, the convenors and members of all college committees and the non-teaching staff for their constant support and contribution. Thanks are due also to the teaching and non-teaching staff for their contribution to the smooth functioning of the NCWEB and SOL centres in our college throughout the year. Our collective efforts have ensured successful completion of this academic year! I'd like to conclude with the following few lines:

नवयुग का निर्माण करें हम
ज्ञान, शोध और नवाचार की
अद्भुत एक उड़ान भरें हम
विकसित भारत के आगमन का
स्वप्न नया साकार करें हम
भारत की सांस्कृतिक धरोहर का
नमन और विस्तार करें हम
आओ मैत्रेयी के प्रांगण में
नया एक इतिहास रचे हम

प्राचार्या सम्बोधन

प्रो. हरित्मा चोपड़ा

सभी को हार्दिक बधाई! अपना संबोधन शुरू करने से पहले, मैं पूरे मैत्रेयी परिवार की ओर से भारतीय सशस्त्र बलों के प्रति हार्दिक आभार व्यक्त करना चाहती हूँ, जिनकी अथक सेवा और धैर्य यह सुनिश्चित करता है कि हम, इस देश के नागरिक हर समय सुरक्षित रहें। और यही एक कारण है कि हम आज इतने बड़े पैमाने पर कार्यक्रम आयोजित करने में सक्षम हैं। सशस्त्र बलों के प्रति सम्मान व्यक्त करते हुए, मैं आप सभी से अनुरोध करती हूँ कि हम खड़े हों और एक साथ जय हिंद का उद्घोष करें!

भारतीय होने पर गर्व होना बहुत ज़रूरी है क्योंकि देश अभूतपूर्व विकास अर्जित कर रहा है और दुनिया उन मूल्यों को देख रही है जिन्होंने इस उत्थान को गति दी है। वैज्ञानिक स्वभाव, स्थिरता, नवाचार और समावेशिता, इनमें से कुछ मूल्य हैं और गुणवत्तापूर्ण शिक्षा इन सभी का आधार है। मुझे यह कहते हुए बहुत गर्व हो रहा है कि मैत्रेयी कॉलेज में हम भी इन मूल्यों से प्रेरित हैं। इस वर्ष की उपलब्धियाँ इस लक्ष्य की पूर्ति को दर्शाती हैं। यह गर्व की भावना और भी खास है, क्योंकि मैं इस कॉलेज के स्थायी प्रिंसिपल के रूप में इस वर्ष की वार्षिक रिपोर्ट प्रस्तुत कर रही हूँ। मैं अपने पूरे मैत्रेयी परिवार को उनके सहयोग और स्नेह के लिए धन्यवाद देना चाहती हूँ!

आज जब हम मैत्रेयी कॉलेज के **58वें वार्षिक दिवस** के साक्षी बन रहे हैं, मैं इस महत्वपूर्ण अवसर पर अपने सभी सम्मानित अतिथियों का हार्दिक स्वागत करती हूँ, क्योंकि हम मैत्रेयी कुटुंब के प्रत्येक सदस्य की उपलब्धियों और योगदान का उत्सव मना रहे हैं। उपनिषदों में वसुधैव कुटुम्बकम् की बात दोहराई गई है और मैत्रेयी में हम भी खुद को एक कुटुम्ब, एक परिवार के रूप में देखते हैं, जो उत्कृष्टता के लिए प्रयास करता है और समाज और राष्ट्र के लिए प्रभावी योगदान की दिशा में काम करता है। इसी विचार के साथ मैं आप सभी का हार्दिक स्वागत करती हूँ।

हमारे बीच मुख्य अतिथि के रूप में **इंडिया इंटरनेशनल सेंटर, नई दिल्ली के निदेशक श्री के.एन. श्रीवास्तव** मौजूद हैं। हम आपका स्वागत करते हैं सर! श्री श्रीवास्तव का कर्नाटक कैडर के भारतीय प्रशासनिक सेवा अधिकारी के रूप में शानदार करियर रहा है। वे 1978 में आईएएस में शामिल हुए और 2014 में सेवानिवृत्त हुए। उन्होंने कर्नाटक राज्य में डेयरी, बिजली, सिंचाई, शहरी - परिवहन और खनन क्षेत्रों में कई महत्वपूर्ण पदों पर कार्य किया। श्री श्रीवास्तव की सबसे उल्लेखनीय उपलब्धि कृष्णा नदी पर एक सिंचाई और बिजली परियोजना अपर कृष्णा परियोजना का कार्यान्वयन था, जो अब कर्नाटक के उत्तरी जिलों में लगभग 15 लाख एकड़ कृषि भूमि को सिंचाई प्रदान करती है और लगभग 300 मेगावाट बिजली पैदा करती है। यह 2000 से अधिक गांवों और बड़ी संख्या में कस्बों को पीने का पानी भी प्रदान करती है। श्री श्रीवास्तव ने भारत में एकमात्र सोना उत्पादक कंपनी हट्टी गोल्ड माइनिंग कंपनी के अध्यक्ष और प्रबंध निदेशक के रूप में 5 वर्षों तक सफलतापूर्वक प्रबंधन किया। वह बैंगलोर मेट्रो रेल कॉर्पोरेशन के पहले प्रबंध निदेशक थे। केंद्र सरकार में, श्री श्रीवास्तव ने नागरिक उड्डयन, विदेश मंत्रालय, संस्कृति, रेलवे और पृथ्वी विज्ञान मंत्रालयों में काम किया। उन्होंने भारतीय पुरातत्व सर्वेक्षण के महानिदेशक के रूप में भी काम किया। वे भारत सरकार के नागरिक उड्डयन मंत्रालय के सचिव के पद से

सेवानिवृत्त हुए। सेवानिवृत्ति के बाद, श्री श्रीवास्तव ने भारत सरकार के राज्य मंत्री के पद पर राष्ट्रीय आपदा प्रबंधन प्राधिकरण (NDMA) के सदस्य और केंद्रीय प्रशासनिक न्यायाधिकरण में न्यायाधीश के रूप में काम किया। 2019 से वे इंडिया इंटरनेशनल सेंटर, नई दिल्ली के निदेशक के रूप में कार्य कर रहे हैं। आज हमारे बीच आपका होना हमारे लिए सम्मान की बात है।

हमारे साथ मैत्रेयी कॉलेज की **कोषाध्यक्ष गवर्निंग बॉडी, प्रो. अनु अग्रवाल** को अतिथि के रूप में पाकर हमें बहुत खुशी हो रही है। वे 22 साल से ज़्यादा के अनुभव के साथ ऑपरेशनल रिसर्च विभाग में प्रोफेसर हैं। वे दिल्ली विश्वविद्यालय के ओपन लर्निंग संकाय में मानद प्रोफेसर भी हैं। उनकी प्रमुख शोध रुचियों में उपभोक्ता खरीद व्यवहार में गणितीय मॉडलिंग और अनुकूलन, नवाचार-प्रसार मॉडलिंग; इलेक्ट्रॉनिक कॉमर्स शामिल हैं। प्रो. अग्रवाल के 120 से ज़्यादा शोध प्रकाशन हैं, उन्होंने 20 से ज़्यादा एम.फिल. और 7 पीएचडी छात्रों का मार्गदर्शन किया है। 2009 में, उन्हें कालिटी, विश्वसनीयता और इन्फोकॉम टेक्नोलॉजी पर चौथे अंतर्राष्ट्रीय सम्मेलन में सॉफ्टवेयर विश्वसनीयता में सॉफ्ट कंप्यूटिंग तकनीकों के अनुप्रयोगों के लिए युवा शोधकर्ता पुरस्कार से सम्मानित किया गया था। वे विभिन्न अन्य वैधानिक निकायों के अलावा कॉलेजों और राज्य विश्वविद्यालयों के मूल्यांकन के लिए यूजीसी विशेषज्ञ समिति की सदस्य रही हैं। हम आपका स्वागत करते हैं।

इस अवसर की अध्यक्षता करते हुए हमारे साथ दिल्ली विश्वविद्यालय के मैत्रेयी कॉलेज की **गवर्निंग बॉडी की अध्यक्ष प्रो. जगरीत कौर** हैं। प्रो. कौर दिल्ली विश्वविद्यालय के जेनेटिक्स विभाग में प्रोफेसर हैं और उन्हें 18 वर्षों से अधिक शिक्षण का अनुभव है। उनका शोध प्रमुख रोगजनकों के प्रतिरोध की आनुवंशिकी को समझने पर केंद्रित है। उनके काम का वैश्विक प्रभाव रहा है। वह जर्मनी के मैक्स प्लैंक इंस्टीट्यूट फॉर प्लांट ब्रीडिंग में पोस्टडॉक्टरल फेलो भी थीं। प्रो. कौर ने प्लांट पैथोजेन इंटरैक्शन में महत्वपूर्ण काम किया है। उन्होंने कई पीएचडी विद्वानों का मार्गदर्शन किया है, कई मास्टर्स रिसर्च ट्रेनी और समर ट्रेनी उनके पर्यवेक्षण में काम कर चुके हैं। उनके अंतरराष्ट्रीय ख्याति प्राप्त पत्रिकाओं और पुस्तक अध्यायों में 30 से अधिक प्रकाशन भी हैं। विभिन्न परियोजना अनुदानों की प्राप्तकर्ता, प्रो. कौर जेनेटिक्स के क्षेत्र में एक महत्वपूर्ण नाम रही हैं। हम आपका हार्दिक स्वागत करते हैं।

हमारे **विशेष आमंत्रित सदस्य** के रूप में हमारे साथ हैं **श्री मनोज अग्रवाल जी, सदस्य, शासी निकाय, मैत्रेयी कॉलेज**। वह एक प्रसिद्ध चार्टर्ड एकाउंटेंट हैं, जिन्हें ऑडिट, प्रत्यक्ष कर, वित्त और परामर्श में 28 वर्षों से अधिक का अनुभव है। उन्होंने कोषाध्यक्ष, जन कल्याण न्यास, दिल्ली, सेवा भारती, पश्चिमी दिल्ली जैसे कई अन्य जिम्मेदारी वाले विभिन्न पदों को संभाला है। हम आपका स्वागत करते हैं! हमारे साथ विशेष आमंत्रित सदस्य के रूप में, **श्री देव धरम चौधरी जी, सदस्य, शासी निकाय, मैत्रेयी कॉलेज** भी हैं, जो एक प्रसिद्ध उद्योगपति भी हैं। हम आपका स्वागत करते हैं! हम **मैत्रेयी कॉलेज की शासी निकाय की सदस्य सुश्री प्रीति डोगरा** का भी स्वागत करते हैं जो आज के दिन की हमारी विशेष आमंत्रित सदस्य हैं। सुश्री डोगरा एक प्रतिष्ठित सामाजिक कार्यकर्ता हैं। वह दिल्ली के एससी/एसटी बोर्ड की उपाध्यक्ष हैं, और उन्होंने चुनावों में महत्वपूर्ण भूमिका निभाई है। मैं हमारे संकाय सदस्यों, सेवानिवृत्त संकाय सदस्यों, पूर्व छात्राओं, गैर-शिक्षण कर्मचारियों, अभिभावकों और प्रिय छात्राओं का भी स्वागत करती हूँ।

इससे पहले कि मैं आपके साथ पिछले एक साल में हमारे संस्थान की उपलब्धियों की मुख्य झलकियाँ साझा करूँ, मैं यह उल्लेख करना चाहूँगी कि वर्ष 2024-25 हमारे लिए एक और ऐतिहासिक वर्ष सिद्ध हुआ क्योंकि हमें कई पुरस्कार और सम्मान मिले। ये सम्मान मैत्रेयी कॉलेज में समग्र शिक्षण वातावरण को दर्शाते हैं:

- **NAAC** से मान्यता प्राप्त **A++** और **NIRF** रैंक **29**, इस वर्ष अप्रैल में हमें एजुकेशन वर्ल्ड इंडिया हायर एजुकेशन रैंकिंग में गैर-स्वायत्त श्रेणी के तहत **अखिल भारतीय 11 वीं रैंक** प्राप्त हुई।
- कॉलेज को दिल्ली विश्वविद्यालय द्वारा आयोजित अंतर्राष्ट्रीय कौशल, स्टार्टअप और उद्यमिता प्रदर्शनी में **‘सर्वश्रेष्ठ इनोवेटर अवार्ड’** भी मिला। विभिन्न विभागों के 27 संकाय सदस्यों ने संस्थान का प्रतिनिधित्व किया और पुरस्कार प्राप्त किया।

- हमें भारतीय पारिस्थितिकी एवं पर्यावरण संस्थान द्वारा 'पर्यावरण सतत शिक्षा विशिष्टता पुरस्कार' भी मिला। कॉलेज की ओर से प्रोफेसर रमा सिसोदिया (वनस्पति विज्ञान) और डॉ. पी. कविता (वनस्पति विज्ञान) ने यह पुरस्कार ग्रहण किया।
- मूल्य शिक्षा के लिए, कॉलेज को आध्यात्मिक और मूल्य शिक्षा शिखर सम्मेलन 2025 में 'आध्यात्मिक शिक्षा के लिए दिव्य बुद्धि पुरस्कार' प्राप्त हुआ। डॉ. कमल शर्मा (वनस्पति विज्ञान), डॉ. श्वेता शर्मा (वनस्पति विज्ञान), और सुश्री अदिति अहलावत (पर्यावरण विज्ञान) ने कॉलेज की ओर से पुरस्कार प्राप्त किया।
- कॉलेज को इंटरनेशनल एसोसिएशन ऑफ एजुकेटर्स फॉर वर्ल्ड पीस द्वारा आयोजित विश्व शांति कांग्रेस 2024 में 'विश्व शांति शिक्षा प्रोत्साहन पुरस्कार' भी मिला। प्रो. पिकी बी. गांधी (उप-प्राचार्य), प्रो. रंजना भट्टाचार्य (इतिहास) और डॉ. रचना जैन (अर्थशास्त्र) ने यह पुरस्कार प्राप्त किया।
- इस साल की शुरुआत में हमने नैनोटेक्नोलॉजी में शोध के लिए विकास लाइफकेयर लिमिटेड के साथ अपना पहला **अकादमिक-उद्योग सहयोग** संपन्न किया। कॉलेज को 11 लाख रुपये के लैब उपकरण और रसायन और 2.5 लाख रुपये का चेक मिला।
- यहाँ मैं यह बताना चाहूँगी कि हमारा कॉलेज उन पहले कुछ कॉलेजों में से एक था जिसने **AI और शिक्षाशास्त्र पर संकाय विकास कार्यक्रम** आयोजित किया था। इसका शीर्षक था 'AI के युग में शिक्षाशास्त्र का पुनर्निर्माण: विधियाँ, समझ, दृष्टिकोण'।
- वाणिज्य विभाग ने 'विकसित भारत 2047: एआई के युग में प्रबंधन और व्यावसायिक प्रथाओं की पुनर्कल्पना' पर दो दिवसीय राष्ट्रीय सम्मेलन का आयोजन किया। इसके लिए उन्हें आईसीएसएसआर और पंजाब नेशनल बैंक से अनुदान प्राप्त हुआ।
- हमारे वार्षिक अंतरराष्ट्रीय सम्मेलन इकिनॉक्स के दौरान, कॉलेज को जीनोम टू ओम: इवोल्विंग जर्नी ऑफ मॉडर्न साइंस टू मेटा-साइंस की **पुस्तक लोकार्पण** करने का सौभाग्य मिला, जिसे आयुष मंत्रालय, भारत सरकार के राष्ट्रीय अनुसंधान प्रोफेसर प्रो. भूषण पटवर्धन और सुश्री इंदु रामचंदानी ने लिखा है। हमने दिल्ली विश्वविद्यालय के माननीय कुलपति प्रो. योगेश सिंह को हमारे मुख्य अतिथि के रूप में पाकर सम्मानित महसूस किया। पुस्तक चर्चा में डॉ. राजीव कुमार (पूर्व उपाध्यक्ष, नीति।आयोग), शामिल थे। वैद्य राजेश कोटेचा (आयुष मंत्रालय), डॉ. विनय सहस्रबुद्धे (पूर्व संसद सदस्य और अध्यक्ष, ICCR), डॉ. शशिकला (कुलपति, राष्ट्रीय शैक्षिक योजना और प्रशासन संस्थान (NIEPA), डॉ. जयंत देवपुजारी (अध्यक्ष, NCISM), कई अन्य प्रतिष्ठित व्यक्तित्वों का सान्निध्य प्राप्त किया।
- मुझे यह बताते हुए खुशी हो रही है कि इस वर्ष वैंटेज के अप्रैल 2025 के अंक के प्रकाशन के साथ: जर्नल ऑफ थीमैटिक एनालिसिस, इंटरनेशनल पीयर-रिव्यूड ओपन एक्सेस मल्टीडिसिप्लिनरी जर्नल (ISSN 2582-7391), हमने एक और मील का पत्थर हासिल किया। **जर्नल अब OJS-PKP प्लेटफॉर्म पर पूरी तरह से स्वचालित सबमिशन और समीक्षा प्रणाली के साथ प्रकाशित होता है।** सेंटर फॉर रिसर्च की एक और नई पहल, **प्रशिक्षित कार्यक्रम** भी शुरू किया गया। यह कॉलेज के संकाय को इंटरनेशनल और परियोजनाओं में अन्य संस्थानों के छात्रों को सलाह देने में सक्षम बनाता है। एनजीओ क्योर इंडिया के सहयोग से कॉलेज ने **भारत का पहला इनडोर नेविगेशन ऐप - कैनरी ऐप** विकसित किया, जिसे हमारे माननीय कैबिनेट मंत्री डॉ. वीरेंद्र कुमार जी, सामाजिक न्याय और अधिकारिता मंत्रालय, भारत सरकार ने पंडित दीनदयाल उपाध्याय राष्ट्रीय शारीरिक विकलांग व्यक्ति संस्थान में लॉन्च किया। हमारे कॉलेज के 7 छात्र ऐप डेवलपमेंट टीम का हिस्सा थे। एनएसएस फेस्ट 2025 के दौरान **एक्सेसिबल आर्ट की एक और परियोजना एक्सी टेक्नोलॉजी** का उद्घाटन किया गया। यह तकनीक, क्योर इंडिया, हमारे एनएसएस छात्रों और अन्य विशेषज्ञों का एक संयुक्त प्रयास है, जो दृष्टिबाधित लोगों को कला का अनुभव करने में सक्षम बनाती है।
- कॉलेज में विभिन्न शैक्षणिक और सांस्कृतिक कार्यक्रमों में, हमने पिछले साल 200 से अधिक गणमान्य व्यक्तियों की मेजबानी की।

- हमारे मालियों और गार्डन समिति के समर्पण ने कॉलेज को दिल्ली विश्वविद्यालय द्वारा आयोजित **वार्षिक पुष्प प्रदर्शनी 2025 में 24 पुरस्कार जीतने** में मदद की।
- कॉलेज को 1 अगस्त, 2024 से 31 जुलाई, 2026 की अवधि के लिए FSSAI द्वारा 'ईट राइट कैंपस' की उपाधि से भी सम्मानित किया गया।

शैक्षणिक उत्कृष्टता

2024-25 में, कॉलेज ने पहले वर्ष में 1010 प्रथम श्रेणी, दूसरे वर्ष में 905 और तीसरे वर्ष में 972 अंक प्राप्त किए, जबकि उत्तीर्ण प्रतिशत 94% से अधिक था। यहाँ, मैं अर्थशास्त्र विभाग की छात्रा आहना तंवर का उल्लेख करना चाहूँगी, जिन्होंने 9.52 (95.27%) के सीजीपीए के साथ विश्वविद्यालय की परीक्षा उत्तीर्ण की और दिल्ली विश्वविद्यालय में प्रथम स्थान प्राप्त किया। उन्हें मेरी बधाई! हमारी छात्राओं ने अखिल भारतीय प्रतियोगी परीक्षाओं में भी विशिष्ट पहचान बनाई है। कैडेट सार्जेंट आकांक्षा चंद ने एनडीए और एनए (आई) परीक्षा में एआईआर 72 हासिल किया। कैडेट पंजुल सिंह ने एआईआर 73 के साथ एसएसबी पास किया। कैडेट रिया मीना ने दिल्ली निदेशालय द्वारा आयोजित प्रश्नोत्तरी प्रतियोगिता में प्रथम स्थान प्राप्त किया।

यहाँ, मैं कॉलेज आईक्यूएसी द्वारा शुरू की गई, **मेधावी छात्र पुरस्कार**, एक प्रमुख पहल का उल्लेख करना चाहूँगी। यह पुरस्कार 7 श्रेणियों में छात्रों का मूल्यांकन करता है जिसमें शैक्षणिक स्कोर, उद्योग का अनुभव, प्रकाशन, आउटरीच, खेल आदि अन्य मापदंड शामिल हैं। छात्राओं की रिपोर्ट देखना बेहद खुशी की बात थी क्योंकि हमने न केवल कॉलेज के भीतर बल्कि राज्य, राष्ट्रीय और यहां तक कि अंतरराष्ट्रीय स्तर पर भी हमारी छात्राओं की वास्तव में बहुमुखी भागीदारी देखी। बीएससी (ऑनर्स) फिजिक्स की तीसरे वर्ष की छात्रा आलिया का चयन इंस्टीट्यूट ऑफ फिजिक्स, एकेडेमिया सिनिका, ताइवान में समर स्टूडेंट प्रोग्राम के लिए हुआ है और एक अन्य छात्रा, सुश्री हिमानी चौधरी, बीएससी लाइफ साइंस, तृतीय वर्ष, प्रतिष्ठित भारतीय विज्ञान संस्थान, बेंगलूर में एम.एससी. प्रोग्राम में प्रवेश लेने का सुनहरा अवसर प्राप्त हुआ है। उन्हें मेरी शुभकामनाएँ!

प्रभावी शिक्षण परिणाम: अनुसंधान और सांस्कृतिक उत्कृष्टता

हमें गर्व है कि कक्षा शिक्षण ने हमारी अनेक छात्राओं को हमारे संकाय सदस्यों के मार्गदर्शन में शैक्षणिक परियोजनाओं में शामिल होने के लिए प्रेरित किया है। यह अतिरिक्त माइल जो वे चलते हैं, वह अधिक सीखने और अधिक करने की उनकी उत्सुकता और प्रेरणा को दर्शाता है। मैं अपने संकाय सदस्यों को कॉलेज में ऐसा माहौल बनाने के लिए बधाई देती हूँ। सेंटर फॉर रिसर्च द्वारा आयोजित समर इंटरनशिप प्रोग्राम (SIP) 2024 के दौरान, हमने 85 से अधिक छात्रों और 42 से अधिक संकाय सदस्यों और 3 वार्षिक शोध परियोजनाओं (ARP) को शामिल करते हुए 28 शोध परियोजनाओं को पूरा होते देखा। सेंटर फॉर रिसर्च (CFR) द्वारा इनक्यूबेट की गई इन परियोजनाओं के अलावा, हमारे संकाय सदस्यों के मार्गदर्शन में हमारे 12 छात्रों द्वारा 5 अन्य परियोजनाएँ शुरू की गईं। उन्होंने कॉलेज के बाहर विभिन्न प्लेटफार्मों पर अपने निष्कर्ष प्रस्तुत किए और प्रशंसा प्राप्त की। इसके साथ, वर्ष 2024-2025 में शोध परियोजनाओं की कुल संख्या 55 हो जाती है, जिसमें 112 छात्र शामिल हैं। कक्षा से परे सीखने की भावना को आगे बढ़ाने के लिए छात्रों और संकाय सदस्यों को मेरी बधाई।

हमारे छात्र पाठ्येतर गतिविधियों में भी आगे रहे। मैत्रेयी कॉलेज में 40 से अधिक सांस्कृतिक समाज, शैक्षणिक समाज और विभिन्न क्लब और प्रकोष्ठों का जीवंत मिश्रण है, जो छात्रों को कक्षा से परे अपने कौशल को तेज करने के लिए एक मंच प्रदान करता है। इस वर्ष, कॉलेज ने अंतर-कॉलेज प्रतियोगिताओं में उल्लेखनीय सफलता प्राप्त की, विभिन्न प्लेटफार्मों पर कुल 184 पुरस्कार जीते- अंग्रेजी वाद-विवाद में 40 पुरस्कार, कला में 22, लोक नृत्य में 20, संगीत में 16, फैशन में 13, फोटोग्राफी में 12, नाट्यशास्त्र में 5, अन्य के अलावा। इसके अतिरिक्त, छात्रों ने एनसीसी और एनएसएस कार्यक्रमों में सक्रिय रूप से भाग लिया, एक भारत श्रेष्ठ भारत जैसे राष्ट्रीय स्तर के शिविरों और दिल्ली निदेशालय के तहत ट्रेकिंग अभियानों में कॉलेज का प्रतिनिधित्व किया। बीए (ऑनर्स) राजनीति विज्ञान (विशेष) की छात्रा आदित्या. आर, ने भारतीय विश्वविद्यालय संघ द्वारा आयोजित 37वें (2024) और 38वें (2025) राष्ट्रीय युवा महोत्सव में एकल शास्त्रीय नृत्य प्रतियोगिता में प्रथम स्थान प्राप्त किया और राष्ट्रीय विजेता

बनी। सभी छात्रों और संयोजकों को मेरी बधाई! मुझे यह बताते हुए खुशी हो रही है कि इस वर्ष मैत्रेयी कॉलेज ने पहली बार मॉडल संयुक्त राष्ट्र (एमयूएन) और एशियाई संसदीय वाद-विवाद की मेजबानी की।

छात्रों की उपलब्धियाँ किसी संस्थान में शिक्षण-अध्ययन के माहौल की सफलता का सही मापदंड होती हैं। और हमारे संकाय सदस्यों की उपलब्धियाँ भी इस तथ्य की गवाही देती हैं। पिछले साल, हमने अपने संकाय सदस्यों द्वारा 115 शोध प्रकाशन, 54 पेपर प्रस्तुतियाँ, 14 पुस्तकें और 22 पुस्तक अध्यायों के लेखन को देखा। इसके अलावा, 15 संकाय सदस्यों ने विभिन्न पुरस्कार जीते और 5 शिक्षकों को उनकी विशेषज्ञता के क्षेत्रों में पीएचडी से सम्मानित किया गया। यह हमारे संस्थान के लिए बहुत गर्व की बात है कि वर्तमान में 14 संकाय सदस्यों को पीएचडी पर्यवेक्षक के रूप में भी मान्यता प्राप्त है। इसके अतिरिक्त, 159 एफडीपी, एफआईपी और अन्य कार्यक्रमों में हमारे संकाय सदस्यों ने भाग लिया, जो खुद को बेहतर बनाने के उनके प्रयास को दर्शाता है। 122 शिक्षकों को विभिन्न शोध और प्रशिक्षण कार्यक्रमों के लिए वक्ता और विशेषज्ञ के रूप में भी आमंत्रित किया गया था। वर्ष 2024-25 में, कॉलेज ने पीयर-रिव्यूड ई-रिसर्च मैगज़ीन, **संवेदना (ISSN 2581-9917)** और **वैटेज: जर्नल ऑफ़ थीमैटिक एनालिसिस**, इंटरनेशनल पीयर-रिव्यूड ओपन एक्सेस मल्टीडिसिप्लिनरी जर्नल (**ISSN 2582-7391**) के 2-2 अंक और बहुभाषी कॉलेज पत्रिका **मैत्रेयी (ISBN (978-81-952826-1-6))** का एक अंक प्रकाशित किया। मुझे यह बताते हुए खुशी हो रही है कि हमारे छात्र भी कॉलेज द्वारा प्रकाशित विभिन्न पत्रिकाओं के संपादक के रूप में अपने योगदान के साथ ज्ञान सृजन में योगदान दे रहे हैं। इसके अलावा कॉलेज में विभिन्न विभागों, प्रकोष्ठों और क्लबों द्वारा जारी किए गए लगभग 19 समाचार पत्र और पत्रिकाएँ भी प्रकाशित की गईं।

नवाचार और कौशल संवर्धन

नवाचार, कौशल वृद्धि और रोजगार के सबसे प्रमुख उदाहरणों में से एक हमारे कॉलेज में उद्यमशीलता के उपक्रम हैं। कॉलेज ने हमारे छात्रों और शिक्षकों के नेतृत्व में 21 से अधिक स्टार्टअप की सुविधा प्रदान की है। और यह संख्या हर साल बढ़ती जा रही है। यहाँ, मैं कस्तूरी हर्बल्स का उल्लेख करना चाहूँगी, जो 100% प्राकृतिक व्यक्तिगत देखभाल उत्पादों का एक संकाय-नेतृत्व वाला स्टार्टअप है। यह उद्यम पिछले एक साल में कुल 75 उत्पादों के साथ बड़े पैमाने पर विकसित हुआ है। उनके उत्पाद बच्चों, पुरुषों और महिलाओं की व्यक्तिगत देखभाल, औषधीय उत्पादों के अलावा पालतू जानवरों के लिए व्यक्तिगत देखभाल उत्पादों की ज़रूरतों को पूरा करते हैं। इस उद्यम ने राष्ट्रीय और अंतरराष्ट्रीय स्तर पर ध्यान आकर्षित किया है। पोलैंड के एक प्रोफेसर, जिन्होंने पहले इन उत्पादों का इस्तेमाल किया था, पिछले साल इनमें से कुछ उत्पादों को खरीदने के लिए विशेष रूप से हमारे कॉलेज में आए थे। वे प्रोफेसर मारिउज़ मिज़्टल, इतिहास के प्रोफेसर हैं, जो पोलैंड के क्राको में नेशनल एजुकेशन कमीशन विश्वविद्यालय में अंग्रेजी अध्ययन संस्थान के अध्यक्ष भी हैं। इस स्टार्टअप ने दिल्ली विश्वविद्यालय द्वारा आयोजित अंतराष्ट्रीय कौशल, स्टार्टअप और उद्यमिता प्रदर्शनी के दौरान भी बहुत रुचि पैदा की। कस्तूरी हर्बल्स कौशल संवर्धन पाठ्यक्रम 'केमेस्ट्री ऑफ कॉस्मेटिक्स' का परिणाम था। यहां मुझे यह भी बताना चाहिए कि हमारे कॉलेज को हमारे कौशल केंद्र अथर्वण के लिए दिल्ली विश्वविद्यालय द्वारा 15 लाख रुपये का अनुदान भी मंजूर किया गया है। बीए (प्रोग्राम) कंप्यूटर एप्लीकेशन की छात्रा इशिता ने एक स्टार्टअप, IYRA मीडिया बनाया, जिसे सिलिकॉन इंडिया मैगज़ीन ने '10 सर्वश्रेष्ठ इन्फ्लुएंसर मार्केटिंग स्टार्टअप 2024' के रूप में सूचीबद्ध किया। हमारी पूर्व छात्रा रिया अग्रवाल के स्टार्टअप, उन्मोदया फाउंडेशन के राइडिंग रेंजर्स को 4-6 सितंबर, 2024 को दिल्ली विश्वविद्यालय द्वारा आयोजित अंतराष्ट्रीय कौशल, स्टार्टअप और उद्यमिता प्रदर्शनी में सर्वश्रेष्ठ इनोवेटर से सम्मानित किया गया। 2020 बैच की छात्रा जाह्नवी शर्मा ने कॉलेज में रहते हुए अपना स्टार्टअप स्टे-मेंटर तैयार किया। पिछले साल तक, उनके स्टार्टअप ने 564 बाहरी छात्राओं को आवास के लिए मदद की है। उन्होंने 1.8 लाख रुपये के लाभ के साथ 3 लाख रुपये का राजस्व उत्पन्न किया। हम यहां यह उल्लेख करना चाहते हैं कि हमारे संकाय सदस्य, वर्तमान छात्राएं और यहां तक कि हमारी पूर्व छात्राओं द्वारा किए गए उद्यम वास्तव में मैत्रेयी में स्टार्टअप पारिस्थितिकी तंत्र को समृद्ध करते हैं।

मैत्रेयी में बढ़ावा दिए गए नवाचार का लाभ न केवल इसकी उद्यमशीलता पहल और अकादमिक उत्कृष्टता में स्पष्ट है, बल्कि विभिन्न अन्य उपक्रमों में भी दिखाई देता है। इसका एक महत्वपूर्ण उदाहरण गार्डन कमेटी की पहल है। संकाय सदस्यों के मार्गदर्शन में छात्राओं ने कॉलेज परिसर में सभी पेड़ों और पौधों के लिए क्यूआर कोड बनाने का काम किया। इन क्यूआर कोड में प्रत्येक पेड़ और पौधे का विवरण होता है, जिससे पहचान करना आसान हो जाता है और कॉलेज की वनस्पतियों का डिजिटल डेटाबेस तैयार हो जाता है।

इसके अलावा, सेंटर फॉर रिसर्च ने समर इंटरशिप प्रोग्राम के दौरान 38 समर्पित संकाय सदस्यों की देखरेख में 83 छात्राओं को शोध परियोजनाओं में शामिल किया। एसआईपी 2023-24 का विषय था भारत में ज्ञान की प्रणालियाँ: आत्मनिर्भरता की ओर बढ़ना। इन सभी शोध पहलों को हमारे कॉलेज पुस्तकालय द्वारा पूरक किया जाता है जो सभी के लिए एक मूल्यवान संसाधन बना हुआ है। पिछले साल, पुस्तकालय ने अपनी डिजिटल उपस्थिति को बढ़ाया। वन नेशन वन सब्सक्रिप्शन (ONOS) और N-LIST कंसोर्टियम की सदस्यता ने वैश्विक शोध के साथ-साथ DU ई-लाइब्रेरी ई-संसाधनों तक पहुँच को भी सक्षम किया। इसके अलावा पुस्तकालय टर्निटिन और ड्रिलबिट जैसे प्लेगियरिज्म चेक सॉफ्टवेयर के नवीनतम संस्करणों से सुसज्जित है। पिछले साल पुस्तकालय में एक बिल्कुल नया RFID सिस्टम भी स्थापित और लॉन्च किया गया था, जो विभिन्न प्रक्रियाओं को स्वचालित करता है। अनुभवात्मक शिक्षा का एक और पहलू पिछले साल की गई कई शैक्षिक यात्राओं के माध्यम से स्पष्ट होता है। विभिन्न विभागों द्वारा विभिन्न प्रयोगशालाओं, संग्रहालयों, गैर सरकारी संगठनों, ऐतिहासिक उत्खनन स्थलों, पारिस्थितिक संरक्षण सुविधाओं आदि के लिए 40 से अधिक फील्ड ट्रिप आयोजित किए गए, जिससे छात्रों को वास्तविक जीवन में सैद्धांतिक अवधारणाओं की प्रासंगिकता का अनुभव करने का अवसर मिला। इन यात्राओं ने कक्षा और उद्योग के बीच एक वास्तविक पुल का निर्माण किया।

रोजगार

कॉलेज में अनुसंधान और नवाचार के इस माहौल ने हमारी छात्राओं की रोजगार क्षमता में महत्वपूर्ण मील के पथर स्थापित किए। प्लेसमेंट ड्राइव एनविज़न के दौरान, विशेष रूप से इंटरशिप के लिए 978 आवेदकों में से, 408 छात्रों को इंटरशिप ऑफ़र मिले, जिसमें सबसे अधिक इंटरशिप वजीफा 25000 रुपये था। और नौकरियों के लिए 201 आवेदकों में से 68 को सफलतापूर्वक प्लेसमेंट मिला। कॉलेज में नौकरी देने के लिए 45 कंपनियों और इंटरशिप का ऑफ़र देने के लिए 118 कंपनियों का आना-जाना लगा रहा। ये संख्याएँ हमारी छात्राओं और शिक्षकों दोनों की गतिशीलता को दर्शाती हैं, जिनके प्रयास शिक्षण-सीखने की प्रक्रिया को इस फलदायी मोड़ पर ले जाते हैं, जहाँ हम अपनी छात्राओं को सफल कामकाजी पेशेवर बनते हुए देखते हैं।

समावेशिता

कॉलेज में की गई विभिन्न पहल समावेशिता के क्षेत्र में हमारे प्रयासों की ओर इशारा करती हैं, लेकिन मैं सिर्फ कुछ का ही जिक्र करूँगी। स्पेशल ओलंपिक भारत, एनजीओ क्योर इंडिया, रोटरी क्लब के साथ हमारे सहयोग से कॉलेज ने कई कार्यक्रम आयोजित किए। स्पेशल ओलंपिक भारत के साथ हमारा सहयोग एक ऐसा ही उदाहरण है। इसके तहत, पिछले साल जुलाई में, हमने स्वीडन में गोथिया कप में भाग लेने वाले भारतीय एथलीटों के लिए एक राष्ट्रीय फुटबॉल कोचिंग तैयारी प्रशिक्षण शिविर का आयोजन किया। हमने 46 पैरा-एथलीटों को कौशल, रणनीति और टीम वर्क में प्रशिक्षित किया। इसके अलावा, हमने नवंबर 2024 में संयुक्त रूप से स्पेशल ओलंपिक एशिया पैसिफिक क्षेत्रीय खेलों की मेजबानी की। इसमें 12 देशों की भागीदारी देखी गई। हमारे वार्षिक खेल दिवस 2025 पर, हमने विभिन्न प्रतियोगिताओं में विभिन्न खेलों में पुरस्कार जीतने वाले दिव्यांग छात्रों को सम्मानित किया। यह एकीकृत खेलों को प्रोत्साहित करने के लिए कॉलेज द्वारा की गई एक पहल थी।

कॉलेज एनएसएस ने रोटारैक्ट क्लब ऑफ़ दिल्ली मिडटाउन मैत्रेयी के साथ मिलकर कई शिविर और कार्यक्रम आयोजित किए। एनएसएस ने नवोदित नामक एक उत्सव का भी आयोजन किया, जिसमें हमारे छात्रों द्वारा प्रशिक्षित वंचित स्कूली बच्चे विभिन्न गतिविधियों में भाग लेते हैं। इस कार्यक्रम में 2000 से अधिक बच्चों ने भाग

लिया। पिछले महीने हमारे एनएसएस छात्रों को विज्ञान भवन, नई दिल्ली में ज्ञानपीठ पुरस्कार 2025 के लिए स्वयंसेवकों के रूप में चुना गया था। यह पूरे मैत्रेयी समुदाय के लिए बहुत गर्व का क्षण था।

बुनियादी ढांचा और गैर-शिक्षण कर्मचारी

पिछले वित्तीय वर्ष के दौरान, हमने कॉलेज परिसर में 70 सीसीटीवी कैमरे लगाने से लेकर 25 ऑल-इन-वन कंप्यूटर, एक अत्याधुनिक इंटरैक्टिव पैनल, एक नई टिशू कल्चर प्रयोगशाला का निर्माण, एक नए रॉक गार्डन का विकास, एक आईजीएल गैस पाइपलाइन बिछाने, कॉलेज लाइब्रेरी में आरएफआईडी सिस्टम की स्थापना सहित कई अन्य महत्वपूर्ण बुनियादी ढांचे का उन्नयन किया। यहाँ, मुझे इन सुविधाओं की खरीद और सफल कार्यान्वयन को सुविधाजनक बनाने में पूरे गैर-शिक्षण कर्मचारियों के प्रयासों को स्वीकार करना चाहिए। न केवल इस काम में, बल्कि हमारे गैर-शिक्षण कर्मचारी अन्य पहलों में भी अपनी सक्रिय भागीदारी से ख्याति प्राप्त करते हैं। उन्होंने डॉ. सविता दत्ता मेमोरियल 5वें टी-20 क्रिकेट टूर्नामेंट में सभी कॉलेजों की क्रिकेट टीमों के खिलाफ जीत हासिल की। इसके अलावा, हमारे प्रशासनिक अधिकारी श्री रानू जी के नेतृत्व में कॉलेज की क्रिकेट टीम, जिसमें शिक्षण और गैर-शिक्षण दोनों कर्मचारी शामिल थे, डॉ. भीम राव अंबेडकर कॉलेज स्टाफ क्रिकेट टूर्नामेंट में उपविजेता रही। श्री अनिल छिल्लर (लैब अटेंडेंट, जूलॉजी विभाग) को दिल्ली विश्वविद्यालय स्टाफ क्लब टी-20 क्रिकेट टूर्नामेंट में सर्वश्रेष्ठ बल्लेबाज का पुरस्कार मिला।

प्रत्येक वर्ष, वार्षिक दिवस पर, जबकि हम अपनी उपलब्धियों का जश्न मनाते हैं, हम उन लोगों के योगदान को भी संजोने के लिए एक पल निकालते हैं जो पिछले एक साल में सेवानिवृत्त हुए हैं। प्रो. रंजना भट्टाचार्य, इतिहास विभाग, इस साल जनवरी में सेवानिवृत्त हुईं। हम उनकी शैक्षणिक कठोरता को संजोते हैं और उनकी गायन की असाधारण प्रतिभा को नहीं भूलते। श्री हंस राज सकलानी, प्रयोगशाला सहायक, रसायन विज्ञान विभाग ने भी इस वर्ष मार्च में हमारे साथ अपनी सेवा का कार्यकाल पूरा किया, जबकि श्री वीके राय, प्रयोगशाला सहायक, रसायन विज्ञान विभाग और श्रीमती मीना मल्होत्रा, तकनीकी सहायक, वनस्पति विज्ञान प्रयोगशाला ने पिछले साल दिसंबर में अपना कार्यकाल पूरा किया। श्री सकलानी जी, की सक्षम उपस्थिति के बिना प्रयोगशाला कार्य की बारीकियों को इतनी आसानी से निष्पादित नहीं किया जा सकता था। श्री राय और श्रीमती मल्होत्रा, हम उनके स्वास्थ्य और खुशहाली की कामना करते हैं, क्योंकि वे जीवन के एक और खूबसूरत चरण में प्रवेश कर रहे हैं।

हमारी उपलब्धियाँ जारी रहने के साथ, मैं अब अपना भाषण समाप्त करती हूँ। मुझे उम्मीद है कि शैक्षणिक विशिष्टता, नवाचार और समग्र विकास की परंपरा हम सभी को प्रेरित करती रहेगी और हम हर साल नई उपलब्धियाँ हासिल करेंगे। मैं वार्षिक रिपोर्ट संकलित करने में IQAC समिति की कड़ी मेहनत, छात्र संघ संयोजकों और उनकी पूरी टीम, सभी कॉलेज समितियों के संयोजकों, सदस्यों और गैर-शिक्षण कर्मचारियों के अथक प्रयासों के लिए धन्यवाद देती हूँ। पूरे वर्ष हमारे कॉलेज में NCWEB और SOL केंद्रों के सुचारू संचालन में उनके योगदान के लिए शिक्षण और गैर-शिक्षण कर्मचारियों को भी धन्यवाद। हमारे सामूहिक प्रयासों ने इस शैक्षणिक वर्ष के सफल समापन को सुनिश्चित किया है! मैं निम्नलिखित कुछ पंक्तिओं के साथ अपनी बात समाप्त करना चाहूँगी।

नवयुग का निर्माण करें हम
ज्ञान, शोध और नवाचार की
अद्भुत एक उड़ान भरें हम
विकसित भारत के आगमन का
स्वप्न नया साकार करें हम
भारत की सांस्कृतिक धरोहर का
नमन और विस्तार करें हम
आओ मैत्रेयी के प्रांगण में
नया एक इतिहास रचे हम।

3. COLLEGE ACTIVITIES

3.1. DEPARTMENTS

DEPARTMENT OF BOTANY

The academic session of the Department of Botany commenced with an Orientation Programme held on 29th August, 2024, for the newly admitted students of B.Sc. (Hons.) Botany, First Year. The Botanical Society began the academic year with the organisation of 'Blossom Election 2024' on 11th September 2024 to select the office bearers. A session on "Resume Building and LinkedIn Essentials" was conducted on 15th October, 2024, by Mr. Jay Datta. An 'Alumni Interaction Seminar' was held on 6th November, 2024, featuring Ms. Shweta Tiwari (Batch 2019–22), currently a Research Analyst at S&P Global. The department's Annual Cultural Fest 'Pallav 2025', held on 24th March, 2025, was a vibrant celebration featuring a variety of student performances and competitive events. An outreach event titled "**Floral-Escapades**" was coordinated from February to March 2025 as part of 'Avgaahan'. A significant highlight of the academic year was the "**International Symposium on Genes in Health and Agriculture**", conducted on 15th April, 2025. The academic year concluded with the Farewell of B.Sc. (Hons.) Botany students organised on 21st April, 2025. Students' **educational visits** were planned, including Aravali Biodiversity Park (18th September, 2024), Yamuna Biodiversity Park (09th October, 2024), Nehru Park (16th November, 2024), District Park (22nd March, 2025), National Bureau of Plant Genetic Resources (18th February, 2025), BioNest Facility (05th March, 2025), Sunder Nursery (22nd March, 2025), and CCUBGA, ICAR (26th March, 2025).

Under the auspices of the Skill Enhancement Centre of the college, **Atharvan**, the Department of Botany has launched the skill centre '*Hareetika* (Padap Sanrakshan/Paryavarniya Chetna)'. The '*Mushroom Cultivation Facility*', established in July 2023 for the cultivation of mushrooms on a small scale, is currently being used to cultivate several mushroom species. To support button mushroom production, a composting pit has been developed and is actively being used to standardise compost preparation methodologies. A start-up initiative known as '*Chatraka*: The Mushroom Haven' has been started to explore the entrepreneurial aspects. The '**Hydroponics and Aeroponic Farming**' has been established as a skill centre aimed to provide hands-on experience to students on various aspects of hydroponics and aeroponics. Another skill centre, the Plant Tissue Culture (PTC) facility, '*Kritrim: Life in Glass*', is aimed at comprehending the principles and applications of tissue culture in plants. The Department of Botany has established an excellent setup, '*Urvara*', for the preparation of premium-quality bio-compost. Recently, a new division of vermi-composting has been started for the preparation of a quality-tested superlative mixture using green waste. '*Gulistan*' is a skill-based start-up initiative for students under the aegis of the Garden Committee, Maitreyi College, aimed at capturing the natural beauty of flowers and incorporating them into aesthetic products, accessories, and stationery items.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry experienced yet another enriching academic year marked by a vibrant blend of educational achievements, skill development and co-curricular engagement. The educational session commenced with the Orientation Programme on 29th August, 2024, designed to welcome the newly admitted students. Faculty members introduced the departmental framework, course structure, laboratory protocols, and co-curricular activities, helping students transition smoothly into college life. In its pursuit of nurturing professional growth and career

clarity, an **inspirational session** titled 'Foundation for Success' was organised by Ms. Monica Dhawan from Wipro on 11th September, 2024. The session equipped students with tools for goal setting, visionary thinking, and impactful communication. The session was followed by departmental elections, promoting leadership and the spirit of responsibility among students. A **specialised lecture** titled "Basics of Protein Folding: In-Cell Insights" by Prof. Parmit K. Chowdhury from IIT Delhi was organised on 19th February, 2024, providing valuable insights into the role of protein structures in biological functions and disease mechanisms, sparking active student engagement and interest in biochemical research. A **Career Counselling Workshop** was conducted on March 6 by renowned career strategist Mr. Jitin Chawla to offer guidance on higher education opportunities abroad, emerging career fields, and global employment trends. The academic year culminated in the Annual Departmental Fest **CHEMSOPHY'25** on 28th March, 2025, a vibrant confluence of intellectual rigour and creative expression that drew enthusiastic participation from across the University, fostering scientific curiosity and a collaborative spirit.

As part of their academic exposure and experiential learning, students in the B.Sc. (Hons.) The chemistry program visited the **CSIR-National Physical Laboratory (NPL)** to gain insights into advanced scientific research. They also attended an interactive career counselling session at Shiv Nadar University, which provided exposure to academic opportunities. Additionally, students visited the Rail Neer Water Plant, gaining practical exposure to water purification, quality control, and industrial-scale processing. To advance skill-based education and foster an innovative and entrepreneurial mindset among students, the department inaugurated its Skill Centre, *Srijan*, featuring two key verticals: Kasturi Herbals, dedicated to crafting handmade herbal cosmetics, and a **Food Lab** aimed at promoting healthy, sustainable food choices. The year witnessed notable faculty accomplishments, including multiple research publications and a patent, reflecting the department's unwavering commitment to academic excellence and innovation.

DEPARTMENT OF COMMERCE

The academic year 2024–25 marked a hallmark of innovation, learning, and student engagement for the Department of Commerce at Maitreyi College. The session began with an Excel Webinar and Commerce Department Orientation, fostering early skill-building and camaraderie. A vibrant Teachers' Day celebration further strengthened the student-faculty bond. A wide range of seminars and webinars provided students with practical insights. Key sessions included Excel training, CAT preparation, OTT content & marketing, career guidance in finance and accounting, and comprehensive information on study-abroad opportunities. These initiatives aimed to enhance both academic understanding and global career readiness. The department also organised a Faculty Development Programme on '**Management Accounting using Spreadsheets**' and a two-day ICSSR (received a grant of Rs. 2,50,000/-) and PNB-sponsored National Conference on 'Viksit Bharat 2047,' which explored the impact of AI on business and management. Excelsior also celebrated its 10th anniversary and hosted "Grad Guide: The Alumni Tales," where alumni shared valuable career experiences. Excelsior's signature events—Market Rajneeti and **COMFESCO'25**—challenged students through creative marketing and commerce contests, while AVGAHAN 2025 showcased global academic talent in diverse competitions.

Faculty achievements were a cornerstone of the year. Dr. Sonal Babbar and Ms. Kritika Khurana, co-founders of the mobile app UniWay Maitreyi: Future Unleashed, served as resource persons on 'Taxability of Ecommerce' at Shyam Lal College and co-authored a textbook on '**Goods and Services Tax**' for undergraduate students. They published research paper titled "Journey to the center of the pension world in India: From OPS to NPS to UPS" in Samikhiya and "Optimizing the

Consumption of Products in Petroleum Industry: An Approach towards Agricultural Sustainability” published in Effulgence: A Bi-Annual peer reviewed publication of RDIAS”. Ms. Kritika Khurana, along with students, won the Best Paper Award at the National Conference “Viksit Bharat 2047” titled “Sticking to Success: Fevicol's Journey of Bonding Innovation, Sustainability, and AI-Driven Global Transformation.” Dr. Vidisha Garg co-authored Management Accounting with Excel Applications (Taxmann Publications, 2024). Additionally, Ms. Reena mentored three students in a SIP project titled “Defence sector and India's quest towards self-reliance: A study on Make in India and Atmanirbhar Bharat Initiative” in 2024.

DEPARTMENT OF COMPUTER SCIENCE

Department of Computer Science, in collaboration with the Enabling Unit of Maitreyi College, signed a **Memorandum of Understanding (MoU)** with CURE India for the development of the **Canary App**, designed for indoor navigation. Students from the department participated in this initiative for older people and specially abled, which was launched at the Pandit Deendayal Upadhyaya National Institute for Persons with Physical Disabilities (PDUNIPPD) on 1st October, 2024. A two-day **Faculty Training Program (FTP)** on ‘Google tools’ was organised on 25-26th September, 2024, by Dr. Manju Bhardwaj and Ms. Rupali Ahuja, wherein all the teachers of the department acted as resource persons. Twenty-nine college teachers enrolled for the FTP. Additionally, a 30-hour certificate course on **Python Programming** was conducted by Dr. Veena Ghuriani and Dr. Shweta Sankhwar from 15-24th January, 2025, which witnessed the participation of 13 college students/ research scholars across the university. Dr Veena Ghuriani convened Avgaahan 2025, the International Interdisciplinary Academic Fest for the entire college. The department participated in Avgaahan with the **TechWiz IT Quiz** and the Web-a-Thon events. As the library continues to evolve and grow, it remains dedicated to promoting scholarly achievements and fostering a culture of lifelong learning.

3.3. COLLEGE COMMITTEES/ CENTRES:

ALUMNAE ASSOCIATION

The Maitreyi Alumnae Association successfully organised a seminar "Sustainability in Information Technology" on 11th September, 2024. Our dynamic alumna, **Ms. Mayurakshi Mitra**, Director, Enterprise Architecture, Capgemini, spoke on the topic '*Sustainability in Information Technology*'. She discussed Sustainable Development Goals 2030, which aim to create a more equitable, safe, and happy world, ensuring the well-being of people and the planet, while promoting peace and justice amongst humanity. On 19th October, 2024, the association hosted an online career counselling session "*Opportunities in the Indian Air Force*," by our alumna, **Wing Commander Deepali Ghosh**. A Master Green Commendation Holder, Ms. Ghosh has been in the Indian Air Force for 16 years as a pilot with over 3,500 hours of flying experience on transport aircraft such as the Avro, Dornier, and HPT-32. In collaboration with the Vatavaran Committee,

the association organised a “**Capacity-Building and Training Workshop on Solid Waste Management**” on 30th January, 2025. **Ms. Shivangi Chaudhary**, an alumna of the association, conducted an engaging session on the various types of waste, including biodegradable, non-biodegradable, dry, wet, and hazardous waste. The event concluded with the inauguration of Aerobin Composters, a crucial step towards achieving a zero-waste campus. These composters will process damp waste from the college canteen and hostel kitchen to create nutrient-rich compost. The Alumnae Association also held its **Annual Alumnae Meet** on 29th March, 2025, which included the graduation ceremony for the Class of 2023. The graduation ceremony, combined with the Meet, was a flagship initiative. **Ms. Soumitra Dev Burman**, a distinguished alumna and Bollywood playback singer, graced the occasion as a special invitee. The association conferred the **Distinguished Alumnae Award** to 11 Distinguished Alumnae for their achievements across diverse fields, bringing pride to their alma mater. The alumnae enthusiastically shared heartwarming memories of their time at Maitreyi College, reflecting their deep pride and gratitude for their alma mater.

The awardees included: Ms. Manju Vaid (Ayurvedic Consultant in Netherland); Ms. Sunita Thakur (Assistant General Manager (Secretarial) in HUDCO); Ms. Kanak Mani Sharma (Social Worker); Dr. Aditi Haldar (Director, Global Reporting Initiative); Ms. Aarti Singh (Director, Marketing); Lt. Col. Mercy Kimpui (Indian Army); Ms. Shivangi Choudhary (Project Coordinator - CSR, Indian Pollution Control Association); Sqn. Ldr. Shaheen Mohammad (Indian Air Force); Ms. Vasudha Agarwal (Assistant Tax Commissioner, Uttarakhand); Ms. Tanvi Bansal (Fine Arts Practitioner); Ms. Swaroopa Saxena (Patent Associate). The alumnae enthusiastically shared heartwarming memories of their time at Maitreyi College, reflecting their deep pride and gratitude for their alma mater.

ANANYA- THE WOMEN'S DEVELOPMENT CELL

Ananya – The Women's Development Cell of Maitreyi College is dedicated to empowering women and supporting the core value of the institution. With a strong focus on the personal and professional growth of the students, the cell hosts a variety of engaging events throughout the year. These initiatives encourage students to cultivate leadership skills, express themselves confidently, and explore their potential. At its heart, Ananya fosters a culture of respect, equality, and empowerment—both within the campus community and beyond. The events organised by the Women Development cell in the year 2024-25 comprise a seminar on “**Women in the Workplace**” organised on 22nd October, 2024, and a webinar on “**Women and Leadership**” organised on 15th November, 2024. “Spotlight: Talent Showcase,” an event celebrating diverse talents, was organised in collaboration with TEDx Maitreyi College during the Annual Cultural Fest of Maitreyi College on 11th February, 2025. A seminar on “**Sexual Harassment at Workplace**” was organised in collaboration with the New Delhi District Legal Services Authority on 21st February, 2025. On the occasion of International Women's Day, a workshop titled “Proactive Emotional Wellness” was organised in collaboration with the Sleepwell Foundation on 05th March, 2025. A movie Screening and Debate Competition was organised in partnership with the University Women's Association of Delhi on 23rd April, 2025.

AVGAAHAN

Avgaahan, the International Interdisciplinary Annual Academic Festival, provides a platform for undergraduate students to participate in a variety of online competitions that span multiple disciplines. Every department comes up in innovative online competitions in the form of

preliminary and final rounds for students across the globe. Avgaahan was organised from 06th February to 06th March, 2025. The departments of the college floated various online competitions like quiz, caricature making, Web-a-Thon, Slogan Writing, photography, and many more. The official launch of the poster of Avgaahan 2025 was done by Prof. Haritma Chopra, Principal, Maitreyi College, on 06th February, 2025. This year, a total of 3246 students registered for the various competitions, giving a flying start to the event. The preliminary rounds were organised from 19th to 21st January, 2025, where 1628 students participated in multiple competitions. The final rounds were organised from 27th February to 01st March, 2025. Five hundred six students were shortlisted, and 387 students participated in the final rounds. The results were announced on 06th March, 2025, on the college website. The winners were awarded with e-certificates and cash prizes. The seventh edition of Avgaahan saw successful conduct of a webinars on 20th February, 2025 in collaboration with Chanakya IAS Academy on the topics “Good Governance Vs Ethical Governance” and “Role of AI in Governance” and another seminar on “Q&A for MBA Entrance Exam” on 25th February, 2025 in collaboration with Career Launcher. With the unconditional support of all students and department coordinators, the seventh edition of Avgaahan culminated efficiently.

CENTRE FOR RESEARCH (CFR) AND ADVISORY COMMITTEE FOR PROFESSIONAL GROOMING (ACPG)

The Centre for Research (CFR), in collaboration with the Advisory Committee for Professional Grooming (ACPG), remains steadfast in its commitment to nurturing a robust research culture among students and faculty. As part of the Summer Internship Programme (SIP) 2023–24, a total of 27 internship projects were completed between May and July 2024. These included seven projects in the sciences and 20 in the social sciences, mathematics, and humanities. The internships engaged 83 students under the mentorship of 38 dedicated faculty members. The thematic focus for SIP 2023–24 was "Systems of Knowledge in India: Moving Towards Self-Reliance." Under the Annual Research Programme (ARP), research proposals were invited in July 2024. Following due screening, three research projects were approved, involving eight faculty members and fifteen students, reflecting an encouraging spirit of inquiry and collaboration. Under the Vocal for Local initiative, which supports projects centred around campus mapping, institutional documentation, and localised research, one project has been approved. This initiative aims to deepen the understanding of the college's evolving academic and cultural spaces. Under the aegis of *Vantage: Journal of Thematic Analysis*, CFR hosted its annual international conference **Equinox 2024**, from 04th -06th September, 2024, on the theme ‘**System of Knowledge in India: Moving Towards Self-Reliance**’. The Chief Guest of the event was Prof. Yogesh Singh (Vice Chancellor, University of Delhi), and the Guest of Honour was **Prof. Bhushan Patwardhan** (National Research Professor in Ayush). The highlight of inaugural session was the release of the book "*Genome to Om: Evolving Journey of Modern Science to Meta-science*" authored by Prof. Patwardhan, which was followed by panel discussion by eminent panelists. The release of the book was accompanied by a soulful music composition by **renowned music composer Shankar Mahadevan** and dance by Swaroopa Utgi Classical Dance Co. The conference attracted 357 registered participants and showcased 54 scholarly paper presentations, making it a landmark event in CFR's academic calendar. A new and promising initiative of CFR, the **Prashikshuta** Programme, was launched to enable college faculty to mentor students from other institutions in internships and dissertation projects. In its inaugural phase, eight internships were successfully undertaken, marking a strong start to this inter-institutional academic exchange. To promote experiential learning, CFR and ACPG regularly organise educational excursions for

students. These journeys are designed to foster independent thinking, creativity, collaboration, and cultural awareness. In the academic year 2024–25, students from eight departments participated in such excursions to various enriching destinations. CFR proudly publishes *Vantage: Journal of Thematic Analysis*, a peer-reviewed, biannual, multidisciplinary, open-access e-journal that serves as a platform for scholarly expression and thematic exploration. In the academic year 2024–25, Vantage: Journal of Thematic Analysis released two thematic issues: **Volume 5, Issue 2 (October, 2024)** and **Volume 6, Issue 1 (April, 2025)**. Both problems centred on the overarching theme “System of Knowledge in India: Moving Towards Self-Reliance,” continuing the journal’s commitment to exploring India’s intellectual traditions through contemporary lenses. A significant milestone in the journal publishing system was achieved by transitioning to the globally recognised **OJS-PKP (Open Journal Systems–Public Knowledge Project) platform**, marking a significant leap forward in its professionalisation. This shift introduced an **integrated online submission and peer review system**, reinforcing our commitment to academic transparency, editorial integrity, and ethical publishing practices. The move not only streamlines operations but also enhances the journal’s accessibility and credibility on the international platform.

COLLEGE HOSTEL

The academic year 2024–25 at Maitreyi College Girls’ Hostel was marked by vibrant celebrations, spiritual engagement, and meaningful developmental activities that fostered a sense of community among the residents. Under the leadership of the Hostel Union, President Miss Palak and Secretary Miss Pragya, and with the guidance of Principal Prof. Haritma Chopra and Warden Dr. Pratibha Choudhury, the hostel became a space where tradition, joy, and personal growth coexisted seamlessly. The festive season began with Navratri, celebrated from 03rd to 11th October, 2024. Daily morning and evening aartis created a devotional rhythm to hostel life, while students observing fasts were served special ‘*vrat*’ meals including sabudana khichdi, fruits, tea, and *vrat* thalis. The celebrations culminated in *Kanya Pujan*, where nine young girls were honoured with a traditional meal of puri, halwa, and chana. The event fostered spiritual reflection and inclusiveness, appreciated by both staff and students. Diwali, celebrated on 31st October, 2024, brought warmth and festivity despite many residents being away. The hostel mandir was beautifully adorned with flowers, Ashoka leaves, paper art, and fairy lights. Aarti was performed with devotion, followed by diya lighting and a colourful rangoli at the entrance. Sweets like Kaju Katli were distributed, and dinner featured a festive menu of soya chaap and lacha paratha. The effort created a homely and cheerful environment for those who remained. The month of December brought further cheer with two major celebrations. On 25th December, 2024, Christmas Eve was celebrated with great enthusiasm. The hostel premises were decorated in festive red, white, and green, and many students dressed in theme colours. A specially curated dinner of naan, paneer, dal makhni, and gulab jamun was served. At 9:00 PM, a chocolate cake was cut, followed by music, dancing, and a bonfire on the hostel lawn, which continued until midnight. The cosy, well-decorated setup and warm atmosphere made the evening truly memorable. Just days later, on New Year’s Eve, 31st December, 2024, was celebrated with equal excitement. The evening had a “black attire” theme, adding elegance to the occasion. Dinner was served at 7:30 PM with the same popular menu, and a butterscotch cake was cut at 9:00 PM. Students enjoyed a bonfire and DJ music under the open sky until midnight. The thoughtful arrangements and enthusiastic participation made the transition into the new year joyful and unforgettable. Adding depth to the year’s programming, the Girls’ Hostel hosted the “Young India – Know Thyself” session on 01st December, 2024. Organised by the Vivekananda Kendra

Kanyakumari, Delhi Branch, and coordinated by the Warden, the program aimed to instil values of discipline and purposeful living, inspired by Swami Vivekananda's teachings. Students participated in engaging activities, including group discussions, a "Human AI" quiz round with general knowledge questions, and physical games designed to build teamwork and mental agility. The session, held from 10:00 AM to 1:00 PM, provided a platform for leadership development and self-awareness. The year concluded with the celebration of Basant Panchami, also known as Prati Vedan, on 02nd February, 2025. The event was marked by the gracious presence of Principal Ma'am, who personally placed the idol of Maa Saraswati for the day's worship. The front area of the hostel was adorned with floral decorations and rangoli. A havan was conducted, and devotional prayers were offered, creating a serene and spiritual environment. Students from across the college joined the celebrations, and prasad was respectfully distributed. In conclusion, the 2024-25 academic year was a vibrant and meaningful chapter for the Maitreyi College Girls' Hostel. From cultural festivities to spiritual observances and personality development initiatives, each event contributed to the formation of a warm, cohesive, and engaged community. The dedication of the Hostel Union, along with active student participation and staff support, ensured that the hostel was more than just a place to stay—it was a place to celebrate, grow, and belong.

DRAVYA

DRAVYA- The Finance and Investment Cell of Maitreyi College is dedicated to promoting financial literacy and economic awareness among students. The cell strives to empower young minds with essential financial knowledge, cultivate investment acumen, and encourage the development of personal financial portfolios. Initially, the event Loot Scoot was organised on 11th September, 2024, with around 50 participants. The event combined finance and fun in a thrilling treasure hunt. **Sparkles'24** was organised on 25th October, 2024, with over 50 participants. Celebrated during Diwali Mela, the event featured vibrant festivities and three creative games: Charades, Drawing Relay, and Card Matching. A **Big Shot 3.0**, a mock stock competition, was organised from 20th October to 05th November, 2024, and held online on the StockGro platform. With over 40 participants, the event provided a hands-on trading experience, helping students enhance their financial and investment skills. A **seminar** on 'Industry Trends and Career Opportunities in Finance' was then organised on 13th November, 2024, with around 40 participants. The speaker, Dr. Yogesh Ingle, shared valuable insights on career opportunities and industry trends in finance. Furthermore, the National Mock Stock Competition, organised by the profit pursuit, took place from 17-18th January, 2025, online on the StockGro platform. With over 40 participants, the competition challenged students to invest ₹10,00,000 in real-time stock trading virtually. The event involved collaboration, strategy, and quick decision-making. The competition '**Wheel to Wealth**', organised under the annual cultural festival Rhapsody '25, was held on 12th February, 2025, with 51 participants. The event featured a finance quiz, an investment simulation, and a market outcome round, where teams virtually invested money, aiming to maximise their profits. A '**Financial Literacy Session**' was conducted on 26th March, 2025, by five student members at Shristi Trust NGO, in collaboration with Rotaract DUSU. The interactive session focused on key topics such as saving, budgeting and digital payments. **Monetrix '25, the flagship event of DRAVYA**, was held on 17th April, 2025, with over 40 participants. The event featured a dynamic panel discussion on personal finance and fintech, offering valuable insights from experts. It also included interactive games like Buzz Folio and FraudFiles, making the session enriching for all attendees.

ENABLING UNIT

The Enabling Unit of Maitreyi College promotes the seamless inclusion of differently-abled students across academic and extracurricular activities. It provides computers and notebooks equipped with **NVDA, OCR, and JAWS** for visually impaired students, along with three printers, three computers, and three notebooks. Recently, it added the **Kibo XS Device** to scan and convert printed and handwritten material into audio. A dedicated **book bank, extensive internet and printing facilities**, and a **"Writer and Reader Bank"**—also open to other institutions—further support students' academic needs. The Enabling Unit conducted the following events and collaborated with the Equal Opportunity Cell (EOC) during the 2024-25 session. The Enabling Unit has renewed the Writer and Reader Bank for the 2024-25 session, adhering to the University of Delhi's new examination policy for Persons with Disabilities. On 14th August, 2024, the Enabling Unit organised a 'PwD Teachers' Coordinators' Summit' at the Video Conferencing Room, Maitreyi College, where teacher representatives from various colleges of the University of Delhi and other institutions participated. In this meeting, the **Saksham Teachers' Forum (STF)** was formed to address matters related to PwD teachers across India. The Enabling Unit, in collaboration with the Department of Sanskrit, the EOC, and the Maharshi Patanjali Skill Enhancement Centre (MPSEC), organised a **national lecture** on "*Exploring Procedural Parallels between Sanskrit Grammar and Artificial Intelligence*" on 9th September, 2024. A total of 173 participants attended. The Enabling Unit, in collaboration with the Department of Sanskrit, the EOC, and the Maharshi Patanjali Skill Enhancement Centre (MPSEC), organised a national lecture on "*Preranapunj Maitreyi*" on 09th September, 2024. A total of 173 participants attended. On 23rd April, 2025, the Enabling Unit, in collaboration with the NSS Committee, organised "**Astitva**" to promote inclusivity. Over 300 participants, including more than 50 PwD participants, attended, making the event highly successful. Dr. Pramod Kumar Singh, Dr. Jyoti Singh, Dr. Smriti Singh, Dr. Akash Pratap Singh, and Mr. Yogesh Chaurasia assisted PwD students during the admission process this year. Fee concessions were granted to PwD students by Delhi University's guidelines. As the Coordinator of the Enabling Unit, Dr. Pramod Kumar Singh represented the college at various seminars, conferences, meetings, and workshops on disabilities and social issues at Delhi University and other institutions, including colleges, universities, institutes, and NGOs. Ms. Smriti Singh also represented the college in numerous government and private sector forums, organising several programs on disability in collaboration with other institutions.

ENACTUS

Enactus Maitreyi, a student-led non-profit organisation, aims to uplift marginalised communities through entrepreneurial action. Standing for Entrepreneurial Action for the US, it promotes social and economic development through innovative business practices. Enactus Maitreyi's two projects, **Project Misbah** and **Project Swarnim**, were showcased at various stalls in multiple institutions. The beneficiaries of Project Misbah are rescued sex workers, and for Project Swarnim, we aim to empower women in slum areas to achieve financial independence. The stalls were exhibited in many Universities and colleges, including Lady Shri Ram College on 24th October, 2024, Hansraj College on 23rd October, 2024, Kamala Nehru College on 15th October, 2024, Gargi College on 04th March, 2025, IIIT Delhi on 09th March, 2025, and Maharaja Agrasen Institute of Management on 02nd April, 2025. At Maitreyi College itself, stalls were held during Orientation on 29th August, 2024, the Freshers Event on 18th October, 2024, Sparkles'24 on 25th October, 2024, and Rhapsody'25 on 11th and 12th April, 2025. Outside the student realm, Enactus Maitreyi had stalls at the Country Club at Sainik Farms on 24th October, 2024 and at the British

High Commission on 25th October, 2024. All these stalls helped the members improve negotiation skills through sales and aided networking and exposure. Enactus Maitreyi also held a visit to the **Old Age Home at Nirman Vihar NGO** on 06th October, 2024, where students had a conversation with the residents along with a fun jamming session. Additionally, a visit was made to Very Special Arts India, where college students conducted an art and reading workshop with underprivileged children. This engagement enhanced the sense of accountability, steadfastness, and authenticity. A **seminar** organised by the society on the enriching topic, "*Career Options after Graduation*" by Career Launcher. This interactive event provided a myriad of paths for our college students. Throughout the year, Enactus Maitreyi has also organised competitions, such as the Pitch Deck Competition at Rhapsody '25 on 12th April, 2025, named **Sustainatainment**. The tenure was closed with **Envera '25**, Maitreyi College's Annual Enactus Fest, which showcased innovation and social impact on 16th April, 2025, featuring various competitions, including Ecoverse, a short film competition; Echoes of Expression, an open mic; Enigma, a treasure hunt; and Enactank, a Shark Tank simulation. Many stalls were also held, including many Enactus stalls, along with a bonding workshop of Project Swarnim. The event was a great success, promoting positive change and community engagement.

GARDEN COMMITTEE

Maitreyi College boasts a diverse green cover comprising a myriad of trees, shrubs, herbs, and roses that enhance the ornamental exquisiteness of the college campus. This year, the enrichment of the garden flora was supported through several plantation drives. A total of 40 trees, including Kachnar, Pili Gulmohar, Kapok, Amaltas, Dhak, Babool, Jacaranda, Imli and Pangara, were planted, which have been recognised for their APTI value. The **drive inaugurated by Prof D.B. Sahoo**, Head, Department of Botany, saw enthusiastic participation from all departments of the college. Several saplings were also donated to nurture and maintain recycled waste bags for the students. Aligning with the motto of eco-consciousness, the practice of recycling waste, such as debris, to make compost and using twigs and branches to create fencing, support for growing plants, etc., was advocated, reducing the requirement for waste disposal. The same bio compost was utilised in the college to nurture plants and the lawn. Student volunteers named all the trees and plants, and their QR codes were created for ease of identification, thereby establishing a digital database of college flora. The highlight of the year was the construction of the Rock garden- "**शीला वाटिका**" using rocks sourced from the college campus. The new rock garden is currently supporting 65 species of succulents and cacti. The Rock Garden was highly appreciated. To align with this year's annual flower show's theme - *Flora and Fabric*, several initiatives were undertaken, including the construction of a hut based on the principle of sustainability by using recycled materials such as twigs and bamboo sticks sourced from the college campus and used fabrics. The college participated enthusiastically in the **67th Annual Flower Show 2025**. A **total of 24 prizes** were won by Maitreyi College, displaying an exemplary show of the hard work and dedication of the malis and student volunteers. To our immense pride, Maitreyi Kutumb bagged **first prize for the best rock garden - The Delhi College Cup**, and for the bottle garden - **The Flower Show Committee Cup**. A special display nukkad natak was performed by students of the college, depicting the ethos of the college to spread awareness on the importance of cleanliness and green cover in the college. As has been the past practice, saplings raised in the college nursery were presented for the felicitation of visiting guests in the college. Support for the student-centric start-up, "**Gulistan**", was also provided throughout the year.

HEALTH & HYGIENE

The Health and Hygiene Committee has actively contributed towards promoting well-being, awareness, and cleanliness in our college from June, 2024 to May, 2025. Throughout the year, we organised a variety of impactful events that aimed to improve both physical and mental health among students. We began our yearly activities by celebrating **International Yoga Day**, emphasising the importance of yoga for physical and psychological fitness. To ensure the well-being of our students, we successfully organised **three health check-up camps** within the college premises. These camps received an overwhelming response, with approximately 3000 students participating and benefiting from free health consultations. In collaboration with Rotary, we also organised a **blood donation camp**, which saw active participation from both students and faculty, contributing to a noble cause. Furthering our commitment to health education, we conducted introductory awareness sessions on '**Basic Life Support (BLS) and First Aid**', equipping students with essential life-saving skills. Understanding the importance of early detection and awareness, we hosted a **special session on cancer awareness**, which helped students understand preventive measures and the significance of regular check-ups. Another major initiative was our **17-day campaign** under **Swachhata Pakhwada**, during which we cleaned different local areas each day and planted various types of seeds, promoting environmental cleanliness and sustainability. One of our most impactful steps this year was the implementation of the **ABHA ID card** initiative, which ensured that every student received their unique health ID under the Ayushman Bharat scheme. Additionally, we organised a **seminar** on '*Narratives of Difference*' and launched a '**Project Challenge**', focusing on awareness and CPR training. Through these events, the Health and Hygiene Committee has fostered a culture of care, cleanliness, and consciousness among students, leaving a lasting impact on the college community.

HORIZON- THE PLACEMENT CELL

In the academic year 2024-2025, Maitreyi College focused on both internships and holistic career development. The Placement Cell organised seminars and webinars on topics like body-positive dressing, resume building, interview preparation, UPSC guidance, and tips for off-campus internships. Industry professionals from **NIIT, Next IAS, Marks & Spencer, Pratham Test Prep, PWC**, and **T.I.M.E.** led these sessions, offering students valuable insights into various career paths. On the placement front, students received offers from top recruiters such as **Crowe, Deloitte, Airtel, Nestlé, ICICI Bank, Accenture**, and **Urban Company**. The highest package, ₹24.8 LPA, was offered by **D.E. Shaw**, reflecting the academic calibre of Maitreyi students and the Cell's efforts in securing high-value opportunities. The Cell also facilitated internships across various domains, including Marketing, Finance, Consulting, and Content. The program **Envision 7.0** saw record-breaking participation with over 400 pre-registrations and numerous walk-ins. The event combined placement drives, workshops, and sessions, offering a comprehensive professional exposure to students. This year's online engagement was exceptional, with combined views across the Placement Cell and Envision 7.0 Instagram pages reaching 467K during the Envision period, accompanied by over 1,000 new followers and high content interaction through shares and saves. The report reflects the Placement Cell's commitment to empowering students through industry connections, real-world exposure, and meaningful learning experiences.

INTERNAL COMMITTEE

The Internal Committee of Maitreyi College organised lectures by Prof. Anupama Mahajan and Advocate Ms. Arsheya Mithal on sexual harassment at the workplace to raise awareness among

students and employees about the Vishakha guidelines, POSH Act, and the legal position in India regarding sexual harassment of women at the workplace. Additionally, a one-day inter-college festival, **Adamyra**, was organised to provide a platform for college students to showcase their talents and creativity, while also promoting the important message of the IC.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

During the academic year 2024–25, the Internal Quality Assurance Cell (IQAC), with the continuous and firm support of administrative and non-teaching staff, continued to serve as the cornerstone of Maitreyi College's participatory and inclusive governance. IQAC streamlined academic and administrative coordination through regular meetings with department representatives and core members, enabling integrated planning and effective implementation. As an IQAC initiative, the college signed a **Memorandum of Understanding (MoU)** with **UGC-MMTTC** (UGC-Madan Mohan Malaviya Teacher Training Centre), SGTB Khalsa College, University of Delhi, to organise faculty-centred programmes for quality assurance. The IQAC recognised the urgent need to equip faculty members with cutting-edge tools. To ensure our faculty remains at the forefront of academic and technological advancements, the IQAC organised a **one-week National Faculty Development Programme** on “**Reinventing Pedagogy in the Age of AI: Methods, Approaches, and Perspectives**” from 16th to 22nd January, 2025, in collaboration with UGC-MMTTC under the convenorship of Prof. Meena Yadav. The IQAC also organised an “**NEP Orientation and Sensitisation Programme**” in partnership with UGC-MMTTC from 02nd -11th December, 2024, with Prof. Meena Yadav as a core team member. Additionally, the IQAC hosted an insightful **interactive session** titled “**Empowering Lives, Securing Futures: India Post Savings for a Better Tomorrow**” by **India Post officials** on 02nd December, 2024. The event was convened by Prof. Meena Yadav, with Mr. Saurav Kumar serving as the event coordinator. This session proved valuable for teaching as well as non-teaching staff and enhanced their awareness about postal services and related opportunities. To foster a culture of academic excellence and motivation among students, IQAC has instituted the ‘**Meritorious Student Award**’. The award will be conferred during the Annual Day celebration to recognise outstanding academic performance. Students will receive personalised ‘**Student cards**’ to document their academic, co-curricular, industry-linked, and outreach achievements. A structured, point-based system will be used to assess these parameters holistically. A total of twelve students—one each from the Sciences, Commerce, and Humanities streams across the 1st, 2nd, 3rd and 4th years—will be selected for this award. To recognise and acknowledge multifaceted contributions of faculty members — academic, administrative, and beyond—IQAC has initiated the process for institution of the ‘**Faculty Excellence Awards**’ to celebrate and incentivise their dedication. Screening for these awards will be done in accordance with the UGC guidelines and other guidelines formulated by IQAC, to evaluate their academic and other professional achievements. The awards will be conferred during the Annual Day celebration, reinforcing a culture of appreciation and professional motivation. IQAC, with the support of administrative staff, facilitated **faculty promotions** by implementing the UGC's Performance-Based Appraisal Scheme (PBAS), under the Career Advancement Scheme (CAS) 2010 and CAS 2018. IQAC successfully submitted the **Annual Quality Assurance Report (AQAR)** for the year 2023-24 to NAAC promptly, and the college annual report to University of Delhi for 2024-25. Additionally, IQAC timely and successfully submitted data for **NIRF and India Today rankings**. To summarise, the academic year 2024–25 was a landmark period for IQAC, marked by the launch of several impactful initiatives aimed at enhancing educational quality, promoting excellence, and fostering a culture of recognition and continuous improvement.

MERAKI- THE ENTREPRENEURSHIP CELL

The academic year 2024-25 was a landmark period for Meraki, marked by a sequence of impactful events and initiatives designed to nurture entrepreneurial skills, innovation, and startup culture among students. The Cell actively engaged in national exhibitions, hosted internal entrepreneurial sessions, and organised bazaars that provided real-world business experience. The primary activities and events included the '**International Skill, Start-up and Entrepreneurship Exhibition**' from 4th to 6th September, 2024, which was held at the Sports Complex, University of Delhi. This 3-day exhibition brought together startups nationwide, celebrating India's Mushroom Day 2024, where Meraki showcased student startups such as Vista, Artisto, IndoLifestyle, Gulistan, Swan Bakery, and Ribbon Nestle. The highlights included the presentation of a hand-painted **Mithila Art shawl** to **MP Mr. Manoj Tiwari**, who praised the craftsmanship. The team received the '**Best Innovation Award**'. **Riya Aggarwal**, co-founder of Riding Rangers, was recognised among the top five startups and secured mentorship and collaboration with the University of Delhi. Next, the entrepreneurship session 'Igniting Innovation', conducted by faculty and coordinators for students enrolled in the SEC paper 'Innovation and Entrepreneurship', took place. The session introduced the Entrepreneurship Cell's role and emphasised the importance of hackathons as platforms for practical innovation and collaboration. Students were encouraged to participate in hackathons to develop entrepreneurial skills. The outcomes included enhanced understanding of startup dynamics, innovation, and practical problem-solving. Following this, Startup Bazaars were hosted on campus, featuring eight stalls showcasing diverse student ventures, including handmade crafts, customised t-shirts, jewellery, candles, traditional footwear, stationery, homemade food, and medicinal plants. The bazaar created networking opportunities with investors and mentors, helping participants refine business models and pitch skills. The event successfully promoted entrepreneurship and creativity on campus. Maitreyi College proudly showcases a vibrant entrepreneurial spirit among its students and alumni through diverse startups. *Indolifestyle* by Economics alumna Anushka Karan promotes Indian heritage through handcrafted art-inspired products, while *Beady Babe* by Simran (B.A. Prog.) offers unique beaded jewellery. *AScented Candles* by alumna Srashti Agrawal specializes in eco-friendly, customizable candles, and *Padukayein* by Vaishnavi Mohanpuria (Zoology) revives traditional juttis. *Swan Bakery* by M. Laxmi Prasanna (B.A. Prog.) offers homemade baked goods, and *Ribbon Nestle* by Chhama Jaiswal (B.A. Prog.) features handmade satin crochet bags. The Garden Committee's *Gulistan*, led by Priyanshi Gautam, promotes eco-friendly products using dried plants and recycled materials. *Tea Bear* by Khushi and Tisha Goyal (Mathematics and English) and *Gallan Mithiyan* by Economics student Sanchi Guglani focus on delightful baked treats. Creative ventures like *Jewels by Bhavya* (Bhavya Ahuja, English), *फर्ला फर्ल eARTh* (Anshika Avani, English alumna), and *Tulips and Lilies* by Manya Gaur (B.Com. Prog.) offer handmade jewellery, art, and stylish accessories, reflecting both innovation and cultural pride.

Further, Meraki organised the **Skill Enhancement Workshops** and **Mentorship Programs**, focusing on business planning, digital marketing, financial literacy, and product development throughout the year. Mentorship sessions connected students with industry experts and alumni entrepreneurs, guiding startup challenges and growth strategies. Meraki partnered with other university entrepreneurship cells and organizations like Enactus Rajguru College for joint events and knowledge sharing. These collaborations expanded networking horizons and introduced students to broader entrepreneurial ecosystems. Students actively participated in hackathons, business plan competitions, and innovation challenges, gaining exposure and honing their

entrepreneurial skills. The Cell encouraged and supported these participations, helping students apply classroom learning in real-world scenarios.

NATIONAL CADET CORPS (NCC)

The National Cadet Corps (NCC) at Maitreyi College stands as a beacon of excellence and commitment, embodying the essential principles of discipline, leadership, and selfless service. Established to nurture young individuals into responsible citizens and future leaders, Maitreyi NCC has persistently realized this vision through a variety of impactful activities and accomplishments. A significant milestone in our journey was marked by Lt. (Dr.) Archana Aggarwal's success after completing the demanding **75-day Pre-Commission Course at OTA Gwalior**. Her achievements included multiple certificates of excellence in map reading, Exercise Anubhav, and Lecture IP, along with being selected as the Flag Area Speaker, scoring full marks in firing, and earning an overall 'A' grade. Her **commissioning as an Associate NCC Officer (ANO) Lieutenant** opened a new chapter in her leadership journey. Lt. (Dr.) Archana Aggarwal received appreciation from the Commanding Officer for her insightful feedback regarding the challenging travel conditions faced by cadets during her Sikkim Trek in 2023. Her valuable input and the efforts of the Commanding Officer, higher authorities led to the decision to **upgrade the travel arrangements to III AC** instead of Sleeper Class for the train journey of NCC Cadets. SGT Hunny Sehrawat proudly represented the Delhi Directorate at the **All India Thal Sainik Camp** in September, 2024, demonstrating outstanding skills and dedication. Cadet Saanvi Thakur was a vital member of the RDC cultural team, contributing significantly to the team's success and helping Delhi achieve the runner-up position. Furthermore, Cadet Riya Mina earned the esteemed ADG Commendation for her outstanding performance in the **Intra-Directorate Quiz Competition**, where she clinched the top spot. Our cadets engaged in a wide array of camps, ranging from trekking in the Himachal Trekking Expedition to participating in cultural exchange programs like Ek Bharat Shresth Bharat, as well as national events such as the Prime Minister's Rally. These experiences continue to build the legacy of Maitreyi NCC. The Annual NCC Fest hosted by Maitreyi College, **NISHTHA'25**, showed tremendous success, attracting over 600 participants from various Delhi University colleges. The event exemplified impeccable organization, showcasing the team's outstanding planning and execution capabilities. Additionally, our cadets participated in NCC fests at other colleges, excelling in various disciplines like drill, quarter guard, extempore, flag area, reel making, debate, and quizzes, securing top positions. The fest was highly appreciated by ADG Sir, Maj Gen Suneet Malik, SM. By upholding values such as discipline, service, and excellence, Maitreyi NCC inspires young people to reach for greater heights and make significant contributions to society. As a distinguished organization, it remains dedicated to cultivating tomorrow's leaders, leaving a legacy rooted in honor, integrity, and social responsibility.

NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) unit of Maitreyi College, upholding the motto of NSS **"NOT ME, BUT YOU,"** participated in and organized various community service activities throughout the academic year 2024-25. These activities aimed to instill a sense of responsibility and determination within the volunteers and to bring about positive societal change. This year's **International Yoga Day** celebration was the first event conducted by NSS Maitreyi, and it highlighted the importance of yoga and its benefits in daily life. Next, the Employability Readiness program was organized in collaboration with the placement cell, which emphasized improving the skills and career development of students. NSS Maitreyi also organized an event to honor **Kargil Vijay Diwas**. The program included tributes to the armed forces and honored distinguished

guests, Major (Dr.) Karan Kapur and Major Jyoti Rani Singh. Further, NSS Maitreyi, in **collaboration with Apollo Hospital and Rotary Clubs**, held a **'BLS and First Aid'** session. Doctors demonstrated CPR and guided attendees on life-saving techniques, including burns and choking. A full body check-up was also provided. The next event organised was Ganesh Chaturthi. On 4-5th September, NSS Maitreyi celebrated Ganesh Chaturthi and Teacher's Day with idol-making and heartfelt tributes. Moving ahead, on 12th September, 2024, NSS Maitreyi's Orientation introduced its mission, new leadership, and impact through inspiring speeches. A badge ceremony, oath-taking, and a plantation drive marked a fresh start, sparking enthusiasm for service. In September only, a health checkup was also conducted with **Primus hospital** and **Youth for Seva**. Participants received health checkups and hands-on CPR training, promoting health awareness and emergency preparedness. **"Swachhta Hi Sewa"** campaign was organized from 17th September to 02nd October, 2024, during which students participated in cleaning different places every day. The next event was the certificate ceremony with **We Plant** and **Cure India**, where they honored students for completing internships and courses. Speakers emphasized hands-on learning, followed by a health activity and certificate distribution, inspiring social contribution.

Continuing its commitment to social responsibility, NSS Maitreyi organized the **'Nasha Mukti Abhiyan'** campaign on 05th October, 2024, to spread awareness about addiction through various contests and activities. Outstanding volunteers and the cleanest departments were recognized for their contributions. Strengthening its focus on health and well-being, NSS, in collaboration with **Apollo Hospital** and the **Rotary Club**, conducted a **'Health Check-up and Blood Donation Camp'** on 17th October, 2024, encouraging students to prioritize their health and participate in voluntary blood donation. Adding to its impactful initiatives, NSS co-hosted the **District Interact Leadership Assembly (DILA)** at Maitreyi College, where over 2,000 students engaged in leadership development sessions, social awareness programs, and interactive activities, culminating in an energetic DJ session. Before this, on 06th September, 2024, the unit spearheaded a **Swachhata Pakhwada Cleanliness Drive**, promoting environmental consciousness and instilling a sense of responsibility among students through active participation. Upholding the spirit of national pride and democratic values, NSS Maitreyi commemorated the **75th Constitution Day** on 25th November, 2024, with a Padyatra from Major Dhyan Chand Stadium to India Gate, reinforcing constitutional ideals and fostering a sense of unity among Moreover in collaboration with Youth For Seva, NSS Maitreyi organised **Navoudit 2025** on 02nd February, 2025 to celebrate the empowerment of children from diverse backgrounds. With volunteers committing to the month-long skill development of these children in the government school, they showcased their potential in various competitions and events. Navoudit 2025 was a remarkable achievement for our volunteers and NSS as well. Enlightening us with his impressive knowledge and patience, **Dr. Mathew Verghese** enraptured us with his oracle insights in his seminar on *"Narratives of Differences: Exploring Human Conditions and Diversity"*. Partnering with the Health and Hygiene Committee and Primus Hospital, NSS Maitreyi successfully organised a **health checkup** to promote well-being in the college community. A wide range of specialised checkups was available for consultation. This important initiative underlines the responsibility and duty of NSS to foster a healthy environment and community. With the help of Delhi Traffic Police, NSS Maitreyi organised **PROJECT CHALLENGE** to educate on the importance of traffic rules, road safety, and immediate healthcare like CPR. The event was met with an enthusiastic audience bubbling with questions and a determination to understand the responsibility well. The event fostered practical knowledge, invoking duty in all of us. Throughout the academic year 2024-25, NSS Maitreyi College remained steadfast in its commitment to social responsibility, skill

development, and community service. By collaborating with esteemed organizations and experts, NSS Maitreyi ensured holistic learning and impactful contributions to society.

NON-COLLEGIATE WOMEN'S EDUCATION BOARD (NCWEB)

NCWEB is a constituent unit of the University of Delhi. This institution provides special arrangements for women residing in the National Capital Territory of Delhi to enroll themselves as students of the board without attending regular classes. NCWEB was initiated at Maitreyi College in the early 1990s. Currently, more than 1200 students are enrolled in the **B.A. Program** and **B.Com. Program** of the University of Delhi. Maitreyi College Centre is called a **Sunday Centre** as classes are held on Sundays and some weekdays when teaching in the regular college is off. The year began with an **Orientation Program** for the 1st Year students on 21st September, 2024. Students were briefed about the National Education Policy (NEP) and the significant role of college life in shaping their future. They were also informed about the structure of NCWEB, academic schedule, examination system, and various support services it offers. The session was interactive and welcoming, setting a positive tone for the year. On 1st September, 2024, a talk on handling mental stress and emotional changes was organised. This session was conducted by an experienced professional practicing homeopathy for 33 years, **Dr. Shubha Tripathi**, who sensitized students about mental wellness and equipped them with coping strategies in today's demanding times. To promote health and environmental consciousness, a **Health Camp** and a **Plantation Drive** was held on 22nd September, 2024. The health camp provided a plethora of services like cardio, eyes, dental, BP, and Sugar tests by the team of experts from **Max Super Specialty Smart Hospital, Saket**, and **Dental Clove**. The theme of the plantation drive was – '*Ek ped maa ke naam*'. Students participated enthusiastically and demonstrated their commitment to building a healthier and greener future. Our students were privileged to attend a **Special Lecture** on Ahilya Bai Holkar on 06th October, 2024 by **Ms. Manoshi Sinha**, an author and Indic Research Scholar, which provided inspiring insights into the life and contributions of the legendary queen. To provide exposure to a wide variety of academic and literary resources, a **book fair-cum-exhibition** was too organised on the same day; further enriching the learning experience and fostering a culture of reading. To prepare students for the dynamic job landscape, a **Career Development Workshop** was held on 27th October, 2024 by Amigo Careers. Industry professionals guided students on career planning, resume building, and interview skills for the management and hospitality sectors. Our flagship cultural event, **Kaleidoscope Annual Cultural Fest**, was celebrated on 24th November, 2024 with great zeal. Students showcased their talents through dance, music, art, and various creative competitions, adding vibrancy to the campus. Deputy Director of NCWEB, **Dr. Surendra Singh**, graced the occasion as Chief Guest. Sports Day was celebrated on 23rd February, 2025, where students, faculty, and staff came together for a day of healthy competition and sporting spirit. Events like races, team games, and fun contests brought energy and companionship to the campus. To familiarize students with the digital resources available to them, a **DU E-Library Workshop** was organized on 08th March, 2025, which also coincided with **International Women's Day**. It aimed at training students to access and utilize academic resources effectively. The student's academic excellence was supplemented by their remarkable achievement in extra-curricular activities by winning the second prize in the Intercollege dance festival held as a part of the **NCWEB Annual Day celebrations** held at Satyawati College, which highlights their ability to balance academics with their skills and creativity. NCWEB centre, Maitreyi College, celebrated its annual day and prize distribution function on 27th April, 2025. Prof. Haritma Chopra, Principal, Maitreyi College, was invited as the Chief Guest. Prof. Chopra congratulated all the prize winners and emphasized that winning or losing is secondary

to the spirit of the participation. She also shared her valuable insights about the four years of the National Education Policy.

PRAKRITI, THE ECO-CLUB

Eco-club "PRAKRITI" in collaboration with the Garden Committee organized an event on "World Environment Day" on 05th June, 2024. The celebration included a plantation drive followed by a screening of an environment awareness-based short movie at the seminar hall of the New Science Block (NSB). The movie's title was "Ordinary Life," a Japanese movie. It portrayed an imaginary scenario of how a green city like Shikoku in Japan would become a desert by 2050 due to the unsustainable use of resources. It also highlighted the possible consequences that people might face in their day-to-day lives, if necessary, actions are not taken on an urgent basis. An Online Quiz on Environmental Awareness was successfully conducted on 25th February, 2025, with the enthusiastic participation of 74 students. The quiz aimed to assess and enhance knowledge of students on key environmental issues such as climate change, pollution control, biodiversity conservation, sustainable development, and eco-friendly practices. By incorporating diverse questions-ranging from simple facts to complex concepts, the quiz encourages participants to explore the complexities of environmental science, human impact on nature, and the importance of ecological balance. The quiz was conducted in an interactive online format, ensuring accessibility and engagement for all participants. This initiative successfully fostered environmental consciousness among students. The Eco Club of Maitreyi College successfully organized a Poster Making Competition on 22nd March, 2025, on "World Water Day" to spread awareness about the significance of water conservation and sustainable water management. The competition aimed to encourage creativity and environmental consciousness among students. Participants showcased their artistic talents by creating visually compelling posters that highlighted key messages related to water conservation, pollution control, and sustainable usage of water resources. The Winners of the Competition as decided by the judges are as follows: First Prize: Ms. Anjali Singh from B.A. (Prog.), II year, Second Prize: Ms. Palak Singh from B.A. Political Science (H), II year, and Third Prize: Ms. Ellapu.Hema Roshini from B.Sc. Botany (H), II year.

The Annual Cultural Fest **Rhapsody'25** was organised by the Students' Union on 11th and 12th February, 2025. The fest was a big success with the artist being **Aastha Gill**.

UNNAT BHARAT ABHIYAN

The villagers were welcoming and hospitable, openly sharing their perspectives and knowledge. After an insightful and engaging visit, the trip concluded successfully. A one-day trip to **Sabota Mustafabad, Jewar**, was organised by the Department of Sociology, Maitreyi College. Sabota Mustafabad is a village in the Jewar Tehsil of Gautam Buddha Nagar district, Uttar Pradesh. The trip took place on 23rd April, 2025, and offered a valuable opportunity for students to conduct

fieldwork in a rural setting. They explored various themes such as health, education, religion, culture, and the economy in the context of Sabota Mustafabad. The students, led by faculty members Dr. Babita Chaudhary and Ms. Mridusmita Singh, travelled to the village by college bus. Upon arrival, the group was welcomed by Mr. Ashok, Principal of the nearby UP Government Primary School, who guided them into the village. The students interacted with the principal and gained insights into various aspects of village life, including occupational structure, agriculture, health, education, and government schemes. The group then split into smaller teams and visited households to conduct interviews and collect information for their research. They engaged with a diverse range of villagers, including men, women, teenagers, and elderly residents.

3.4. STUDENT SOCIETIES

ABHIVYAKTI - THE THEATRE SOCIETY

The academic year 2024–25 has been transformative for Abhivyakti, the official dramatic society of Maitreyi College, DU. Rooted in expression and social awareness, we explored pressing issues through stage plays, monoacts, street theatre, and filmmaking. Our short film '*Touch of Shadows*' won **2nd place at Shyam Lal College**, while our team also earned accolades at PGDAV College, RDIAS, and Ram Lal Anand College — with **Nirlaj Kush** receiving praise for its bold critique of societal norms. We proudly hosted our two flagship events — **AKS 2025**, our annual stage play competition judged by theatre artist Sunil Rawat, and **Intifada 25**, our street play festival that echoed powerful narratives on political apathy, gender safety, and resistance, judged by DU alumna Sakshi Gaba. More than a performance troupe, Abhivyakti thrives as a collective of empathy, creativity, and collaboration. From mentoring freshers to encouraging democratic participation in every aspect of theatre-making, we continue to grow as artists and individuals. We thank our faculty advisors, the college administration, and our fellow societies for their support. Looking ahead, we remain committed to art that provokes thought, evokes feeling, and speaks truth to power. Here's to another year of Abhivyakti.

ACHIEVEMENT CELL

The Achievement Cell at Maitreyi College recognizes the accomplishments of high-achieving students and provides them with opportunities for growth. Similar to *Forbes 30 Under 30* but focused on youth, it aims to celebrate early career achievements and offer inspiration for the next steps in students' journeys. In its 2024-25 tenure, the cell conducted 15 Achievement Cell interviews and 35 Humans of Maitreyi interviews, showcasing the diverse talents of the Maitreyi community. The Achievement Cell's orientation on 13th September, 2024 in the VCR engaged a large, enthusiastic audience with games, an overview of past events, and information on future opportunities. This session aimed to familiarize new students with the cell's work and encourage their involvement in its initiatives. Under the "**InQuest**" webinar series, two notable sessions took place. On 21st October, 2024, **Mr. Lakshya Sinha** led a webinar on "*Mastering Internship Success*," discussing the importance of internships, skill development, and tips for building a strong resume in the competitive job market. On 22nd November, 2024, **Mr. Yash Tiwari** conducted a session on "*Mindful Revival: Unlocking Your Latent Potentials*," offering insights into mindfulness practices and their role in personal development, while also previewing his book, "*The Mindful Revival*." The cell also organized the **Campaign Clash Competition** at Rhapsody'25 on 12th February, 2025, where participants showcased their creativity and strategic thinking by developing innovative product campaigns linked to social causes. This tenure has been marked by significant growth, innovation, and engagement, with the Achievement Cell continuing to inspire, empower, and

celebrate the achievements of students. The cell remains committed to fostering talent, sharing opportunities, and supporting the Maitreyi community's ambitious journey ahead

APOLLONIA - THE WESTERN MUSIC SOCIETY

The Western World Music Society at Maitreyi College, with 14 active members, has been actively involved in various performances and events throughout the academic year. Highlights include **multiple jamming sessions**, such as those on 11th September, 2024 in the amphitheater and 29th January, 2025 in collaboration with the Students' Union for the Rhapsody date reveal. Members have also showcased their talents at prominent college events like **Ekonomiska**, the annual fest of Arthaneeti (Economics Association) on 25th March, 2025. Several solo achievements by the members are notable, such as **Aaditi Singh's 1st place in Antaragini Idol** at IIT Kanpur on 29th September, 2024 and **Merissa Soreng's 3rd place in Anayat 2.0 Open Mic at VSBS** on 06th March, 2025. Additionally, the society has participated in various a cappella competitions, including performances at prestigious fests like Madrigal, Shruti, Rhythaar, and Game of Notes. One of the standout performances, "**Feminine Rage**," features powerful songs like "Rise Up O Flame" by Kiki Rockwell and "Labour" by Paris Paloma, exploring themes of resilience, oppression, and generational trauma. The society also hosted several events, including "Folklore" under Sparkles 24' and the "Battle of Bands" under Rhapsody 25' in February, 2025.

ARTISTO - THE FINE ARTS SOCIETY

Artisto – The Fine Arts Society of Maitreyi College had a vibrant and creative year marked by participation and organization of major events. The team showcased their artistic talent at **Rendezvous'24**, the cultural fest of IIT Delhi, through "The Art Gallery," curated by Azure – The Art Society of IIT Delhi. Artisto's exhibition blended modern and traditional Indian art forms, earning widespread appreciation from visitors and fellow artists. At the Annual Alumni Meet, the society also participated in the **Startup Bazaar** and **Kriti Exhibition**, setting up a stall that featured and successfully sold several original artworks, highlighting both the creative and entrepreneurial spirit of its members. As part of Rhapsody'25, Artisto organized "Chroma on Satchel," a tote bag painting competition, in collaboration with the Students' Union. Centered on the theme "Reinventing Drama," the event drew around 30 participants from different universities. Judged by Dr. Anshu Arora Anand and Dr. Adesh Rani, the competition was a lively display of imagination, creativity, and skill, making it one of the standout events of the fest.

EESHAAN (ईशान) - THE NORTH EAST CULTURAL SOCIETY

EECHEL 2025, organized by Eeshaan – The Northeast Cultural Society of Maitreyi College, was a vibrant celebration of Northeast India's traditions, music, and dance. Held on 19th April, 2025 at the VCR Hall, the fest brought together spirited participants from various DU colleges, promoting cultural unity and appreciation. The event began with a graceful Manipuri folk dance and an inspiring speech by Convenor Mr. Ginmunlal Khongsai. Highlights included the folk song and dance competitions, where Miranda House and Jesus and Mary College won top prizes, respectively. A **special bamboo dance performance**, a collaboration between Maitreyi College and RLA College, captivated the audience. Judged by Yarreiphang Haorei and influencer Tiapong Tzudir, the fest concluded with a heartfelt vote of thanks by Shrijana Barua. **EECHEL 2025** was a resounding success, celebrating identity, fostering inclusivity, and showcasing the vibrant heritage of Northeast India to the broader Delhi University community.

FILMESQUE - THE FILMMAKING SOCIETY

In 2024–25, Filmesque, the Filmmaking and Appreciation Society of Maitreyi College, flourished under the guidance of Convener Ms. Artika Vats and the leadership of President Nandini Jha. Dedicated to nurturing cinematic creativity and dialogue, the society hosted diverse events including **Azadi**, **Transient**, and **Between the Lines**, fostering participation and innovation in filmmaking and film critique. Their short film '*Silangai*' won 2nd place at Miranda House's **Chalchitra'25**, and the society hosted impactful screenings like '*Little Miss Sunshine*' and '*Not Today*', the latter followed by a live Q&A with director Aditya Kripalani. Notable collaborations included a cybercrime awareness planning session with the **Delhi State Legal Services Authority**. Filmesque also played a key media role during college events such as Yoga Day, Freshers Day, Diwali Mela, and Rhapsody'25. A milestone achievement was the launch of **Matinee**, the society's first-ever magazine, a dream realized since 2023–24. The team is currently gearing up for the release of an in-house film production. This year has been a vibrant journey of storytelling, technical growth, and cinematic appreciation, reinforcing Filmesque's place as a creative and collaborative force on campus.

GALORE - THE FASHION SOCIETY

The 2024-2025 session was a transformative and impactful year for Galore, the official Fashion Society of Maitreyi College. Driven by passion and creativity, Galore organized high-standard events, workshops, and competitions, including the thought-provoking annual production, "**Female Rage**," which explored societal expectations and feminine anger. The society participated in **over 25 fashion competitions** across Delhi University and beyond, securing top positions at various institutions such as IIT Roorkee, Ramanujan College, and JC Bose University. Galore also organized four major competitions: **Rang e Noor** (makeup), **Regalia** (solo/group fashion), **Glazed** (makeup), and **Forge** (fashion) during Rhapsody. The society also collaborated on a photoshoot with **Drushyam**, the Photography Society of JNU, and organized workshops on ramp walks, styling, and team etiquette. Galore strengthened its online presence with creative and behind-the-scenes content, winning multiple awards for Best Concept, Best Styling, and Best Walk at several fests, cementing its place as both a performer and organizer in the fashion scene.

MARKETRICKS - THE MARKETING SOCIETY

Marketricks, the Marketing Society of Maitreyi College, successfully hosted multiple dynamic events in 2024–25. **MARKTALKS Season 3** featured four insightful episodes on studying abroad, resilience, digital marketing trends, and standardized tests, with expert speakers like **Ankita Thakker**, **Dr. Sandra Alday**, **Ritwik Sachdeva**, and **Devansh Kaushik** enriching student learning. As part of the Diwali mela Sparkles 2024, Marketricks organized **Markival 2.0 – Yeh Diwali Marketing Wali**, a festive event on 25th October, 2024 with interactive games like Guess the Brand, Brand Battle, and Snap the Slogan, engaging 20 teams and awarding two winners. Continuing its legacy, **Marketshastra 2.0** was held on 11th February, 2025 during Rhapsody'25, featuring a thrilling marketing battle through a Murder Mystery challenge that explored the collapse of iconic brands. With online and offline rounds including quizzes, brain quests, and a final showdown, these events fostered creativity, critical thinking, and marketing acumen among students.

NRITYAKRITI - THE INDIAN DANCE SOCIETY

Nrityakriti, the Indian Dance Society of Maitreyi College, continued its legacy of cultural excellence in its 12th year. Dedicated to promoting Indian classical and folk dance forms, the

society flourished under the leadership of Harshita Nahata (President), Prachi Jain (Vice President), Thulsi Babu (Classical Secretary), Harshita Sharma (Treasurer), and PR Heads Arushi Arora and Shweta Sharma. With consistent victories across the DU Folk Dance Circuit for the 8th consecutive fest season (2016–2024), Nrityakriti sustained its stature as a premier dance society. Major events included **Sparkles'24**, a college-level folk dance competition, and **Rhapsody'25**, featuring solo and group competitions—**Pratyang** (Classical) and **Malang** (Folk). Both events saw enthusiastic participation from DU colleges, with exceptional performances and positive feedback. The society also secured top positions at institutions like Delhi Technological University and Hansraj College, with a total of over 20 awards across the season. **Solo classical dancer Shruti** added to the glory with podium finishes at Lady Irwin College, NDIM, and others. Nrityakriti continues to embody its motto—passion with grace—by celebrating creativity, discipline, and cultural diversity through dance. The society remains grateful to its mentors, conveners, and college support system for enabling a thriving artistic journey.

RIYAAZ - THE INDIAN MUSIC SOCIETY

Riyaaz, the Indian Music Society of Maitreyi College, had a vibrant and fulfilling year marked by musical excellence, teamwork, and innovation. Under the dynamic leadership of the council—Diya Bhuwania (President), Priyanshi Rawat (Vice President), Vaishnavi Dubey (Session Head), Sumedha Sharma (Treasurer), Pratishtha (General Secretary), and Tanvi Joshi (PR Head)—the society nurtured talent while upholding its commitment to Indian classical and semi-classical music. The year began with an enthusiastic audition drive in September, 2024, welcoming a diverse and talented group of vocalists. Regular weekly sessions focused on rigorous training in raaga development, taal mastery, and ensemble coordination, creating a strong foundation for performance. Throughout the academic session, Riyaaz actively participated in various inter-college competitions, earning accolades in both group and solo categories. The group secured **1st Prize at Swaranjali'24** (IIT Roorkee), and **2nd Prizes at Bandish'24** (Lady Hardinge Medical College), **Saptak'25** (Maharaja Surajmal Institute), and **Sur-Sangam'25** (PGDAV Evening College). In solo performances, members Vaishnavi Dubey and Tanvi Joshi brought further glory to the society with numerous wins, including **1st positions at Sri Aurobindo College and Rajdhani College**, and **2nd and 3rd positions at Shri Guru Gobind Singh College, Kalindi College, and the Faculty of Music**. Riyaaz continues to be a vibrant space where passion meets discipline, providing its members with not just musical training but also a sense of community, creative expression, and personal growth.

TRENCHANT - THE ENGLISH DEBATING SOCIETY

Trenchant, the English Debating Society of Maitreyi College, thrives on fearless expression, critical thought, and principled engagement. Comprising three dynamic wings—**Parliamentary Debate (PD)**, **Model United Nations (MUN)**, and **Creative Writing (CW)**—the society fosters skills in argumentation, diplomacy, and imaginative expression. The 2024–25 session began with rigorous offline training and weekend review sessions across all wings. MUN and PD facilitated thought-provoking debates and mock sessions, while CW explored genres, rewrote narratives, and contributed as **International Press in MUNs**. Trenchant successfully organized three major events this year. **'Speak and Conquer'** (11th February, 2025), a soliloquy competition under Rhapsody, explored “Shades of Morality” through monologues of morally grey characters, blending performance and critical insight. **Sashakt** (05th April, 2025), a conventional debate, challenged “The Rise of Manifestation Culture,” prompting critical reflection on modern self-help ideologies. Most notably, **Maitreyi Model United Nations** (22-23rd March, 2025) marked the

society's first independent MUN, featuring four committees and wide participation, cementing Trenchant's role in fostering informed, articulate global citizens.

VACHIK - THE HINDI DEBATING SOCIETY

आख्यान '24 के अंतर्गत आज़ादी का अमृत महोत्सव के अवसर पर दिनांक 15 अगस्त को टर्नकोट वाद-विवाद प्रतियोगिता का आयोजन गूगल मीट के माध्यम से किया गया। प्रतियोगिता का विषय था - “यह सदन भारत राष्ट्र के विकास हेतु भारत में प्रादेशिक राष्ट्रवाद की तुलना में सांस्कृतिक राष्ट्रवाद को बेहतर विकल्प मानता है।” सत्र की अंतिम प्रतियोगिता “विदुषी मैत्रेयी स्मृति संसदीय वाद-विवाद प्रतियोगिता” (द्वितीय संस्करण) का आयोजन 7-8 नवंबर को महाविद्यालय परिसर में तीन चरणों - कार्टर फाइनल, सेमी फाइनल और फाइनल - में संपन्न हुआ। इसमें 32 टीमों ने भाग लिया और 16 आमंत्रित अधिनिर्णायक उपस्थित रहे। **“वाणी 4.0”**, नवागंतुक संसदीय वाद-विवाद प्रतियोगिता, 8-9 नवंबर को आयोजित हुई। पहले चरण का आयोजन गूगल मीट पर हुआ, जबकि अंतिम चरण कॉलेज परिसर में हुआ। 30 टीमों ने भाग लिया, प्रत्येक चरण के लिए अलग विषय निर्धारित थे, और 15 अधिनिर्णायकों ने मूल्यांकन किया। वार्षिक महोत्सव रैप्सोडी 2025 के अंतर्गत समिति द्वारा **“दृष्टिकोण 4.0”** का आयोजन किया गया। इसमें दो प्रतियोगिताएँ शामिल थीं— “पारंपरिक वाद-विवाद प्रतियोगिता” (11 फरवरी) जिसमें 20 प्रतिभागियों ने भाग लिया, और “काव्य पाठ प्रतियोगिता” (12 फरवरी) जिसमें 10 प्रतिभागियों ने अपनी प्रस्तुति दी। दोनों कार्यक्रम महाविद्यालय परिसर में संपन्न हुए। यह सत्र तर्क, अभिव्यक्ति और भाषायी दक्षता के सशक्त प्रदर्शन का साक्ष्य रहा।

VISTA - THE PHOTOGRAPHY SOCIETY

Vista, the Photography Society of Maitreyi College, is a vibrant community of visual storytellers united by a passion for capturing moments through the lens. The 2024-2025 academic year was filled with creativity and collaboration, beginning with a media partnership for **AIESEC's “Global Village 2024”** event. In August, Vista hosted **“Liberation,”** an online photography competition celebrating Independence Day. The society welcomed freshers through an orientation session and open recruitments, bringing new energy and diverse perspectives to the team. Vista also produced engaging **TMS (The Maitreyi Show) videos**, showcasing interviews with teachers and students, and displayed members' work at events like Startup Bazaar and Rhapsody. The society organized a photowalk to Red Fort in collaboration with Effulgence (SVC), hosted the **“Mirth”** competition during Sparkles, and celebrated cultural diversity by **collaborating with EESHAAN for the Bokeh (Vol. 3)** magazine. Rhapsody featured successful competitions like **‘Memoir’** and **‘Shutter Stories,’** along with the annual exhibition **‘Lamhe.’** The year ended with another **photowalk to Purani Dilli and Chandni Chowk**, and members participated in citywide photography competitions, earning top positions and further cementing Vista's reputation for excellence in visual storytelling.

ZEAL - THE WESTERN DANCE SOCIETY

Zeal, the Dance Society of Maitreyi College, had an incredibly active and successful year during the 2024-2025 session. Throughout the year, Zeal participated in over **14 college fests**, securing top positions and gaining valuable exposure. Some notable wins include a **2nd position** at **Neemrana University** and the **“Dance Roulette Winner” title** at **REV UP**, organized by Shaheed Bhagat Singh College. Zeal also hosted its annual western group dance competition, **‘Match The Beat 2024’**, which saw 15 teams from Delhi University participate, and collaborated with the Students' Union for a solo street dance battle. In addition, the society conducted an orientation session for new members in September and followed it up with auditions to bring in fresh talent. Their contributions to college fests and competitions have made them a recognized name in the Delhi University dance circuit.

9. SOCIAL INITIATIVES OF THE DEPARTMENTS/SOCIETIES

Maitreyi College has demonstrated a strong and sustained commitment to social responsibility through a wide array of student-led initiatives and institutional collaborations. The NCC cadets were actively engaged throughout the year in numerous social service campaigns, including **tree plantation drives**, the **Save Yamuna movement**, **cleanliness programs**, and **initiatives to combat food wastage**. The NSS unit, in collaboration with the Rotaract Club of Delhi Midtown Maitreyi, organized several impactful events with community service at their core. These included a **Peace Walk** in solidarity with the Kolkata rape case victim, the **RAHA campaign** on sex education and

women's safety, a **Thalassemia Awareness Talk Show**, a **self-defense workshop**, and **Project Chakra Shakti** focusing on menstrual health awareness.

The Rotaract Club also engaged students through its Club Service initiatives, including the Friendship Day celebration "**Core Connection**," an Orientation Programme for new members, and the entertaining "**Bingo Bonanza**." Inter-club collaboration was fostered through the first zonal online meet "**ROWENA**." Under Vocational Service, activities like a **Social Media Team Competition** and the **District Training Seminar** "Albus Assembly" offered leadership development and creative engagement. In the sphere of International Service, the "**Kindness Act**," a joint initiative with Zones Ravenclaw and Gryffindor, promoted compassion and civic values. The club also collaborated on events such as "**Fun Day**" with RAC Delhi South East and Young Visionaries and participated in district-level projects like SportsMania. **Prakriti, the Eco Club of Maitreyi College**, contributed to environmental consciousness by organizing a **plantation drive** and screening a short film on environmental awareness. In tandem, the Internal Committee hosted lectures by **Prof. Anupama Mahajan** and advocate Ms. Arsheya Mithal to educate students and staff on the **Vishakha Guidelines, the POSH Act**, and India's legal framework regarding sexual harassment at the workplace. The Women's Development Cell furthered this cause through a range of events and talks on workplace harassment and gender sensitization. Inclusivity remained a core value across college activities, most notably showcased during **Astitva, the annual NSS fest**, which featured diverse outreach initiatives. **The Department of Political Science**, in collaboration with the Institute of Constitutional and Parliamentary Studies, organized a training program titled *Empowering Youth with Constitutional Values and Fundamental Duties*, aimed at deepening students' understanding of democratic responsibilities and constitutional ethics. **The Electoral Literacy Club (ELC)** also promoted democratic participation by raising awareness about the **Saksham-ECI app**, which aids Persons with Disabilities (PwDs) in accessing voting facilities. Enactus Maitreyi further advanced the college's social impact through its flagship initiatives—**Project Misbah**, supporting the rehabilitation of rescued sex workers, and **Project Swarnim**, empowering women in slum areas by fostering financial independence. Together, these diverse initiatives reflect Maitreyi College's holistic and inclusive approach to student engagement, civic responsibility, and community development.

DU appoints Prof. Haritma Chopra as permanent Principal of Maitreyi College

New Delhi: In a significant academic development, University of Delhi has announced the appointment of Professor Haritma Chopra, a distinguished figure in the field of Chemistry, as the permanent Principal of Maitreyi College. The news, which was met with widespread elation, marks a celebratory chapter in the history of the college as its teaching and non-teaching staff get together to honour the occasion with joy and fervor.

Professor Chopra's appointment is a testament to her exceptional leadership and deep commitment to academic excellence. An adept administrator and orator, she is widely respected for her sterling dedication to addressing the needs of students, faculty, and staff alike. Her empathetic and accessible nature has made her a beloved figure within the college community, a sentiment evident in the enthusiastic reception of her new role.

Her tenure as the Acting Principal since 2017 was marked by a series of remarkable achievements. Under her visionary leadership, Maitreyi College attained an 'A+' grade in its NAAC accreditation for the first time, and significantly improved its standing in the National Institutional Ranking Framework (NIRF), moving from 10th to 15th position. Additionally, the college experienced a rapid rise in the India Today rankings, becoming the fastest-growing institution in the country within a single year.

Professor Chopra has been at the forefront of numerous pioneering initiatives. She played a pivotal role in the implementation of newly set permanent assessment procedures, strengthening the academic infrastructure of the college. Notably, under her guidance, Maitreyi College became the first institution in India to conduct its Student Union elections entirely in the online mode, a milestone that set a precedent for other educational institutions across the nation. With her innovative approach, she also enabled a virtual Alumni Meet that garnered widespread acclaim.

During the challenging period of COVID-19 pandemic, when educational activities across the globe were severely hampered, Professor Chopra ensured that Maitreyi College not only continued its academic operations but also introduced a series of online programs that reached global audiences, providing significant benefits to students and the general public.

NSS Fest 'Astitwa' Celebrates
Inclusivity and Accessibility
at Maitreyi College

New Delhi

Maitreyi College played host to a vibrant and inspiring celebration of inclusivity and accessibility on Wednesday as the NSS unit, in collaboration with the Enabling Unit and Cure India, organized Astitwa—a heartwarming fest sponsored by the Rotary Club of Delhi Sadfarjung. Held at the NSB Seminar Hall, the event brought together over 50 specially-abled children from various colleges, schools, and NGOs, alongside more than 300 students of Maitreyi College.

The highlight of the fest was the inauguration of AXI Technology for Accessible Art, an initiative spearheaded by Dr. Mathew Varghese in collaboration with NSS Maitreyi students, Mr. Andrew from Cure India, and Dr. Smriti Singh—an accomplished academic who is herself visually challenged. The technology aims to make art more accessible to individuals with visual impairments, promoting a

more inclusive creative space.

The event was graced by notable dignitaries including Prof. Anil Kumar from the Indira Gandhi Institute of Cultural Arts, Dr. Mathew Varghese, and several members of the Rotary Club. Principal Haritma Chopra addressed the gathering with words of encouragement and appreciation, commending the initiative for its innovation and empathy. Mr. Shrawan, Regional Director of NSS, also marked his presence, adding warmth and encouragement to the occasion.

What made Astitwa truly remarkable was its inclusive ethos. It brought together students from diverse institutions, backgrounds, and experiences—creating a vibrant mosaic of community, compassion, and creativity. The event served as a powerful reminder of the importance of accessibility and representation in educational and cultural spaces.

The Documented Book Reviews

The documented book reviews are a critical component of academic research, providing a structured and systematic analysis of published works. These reviews are essential for scholars, researchers, and students alike, as they offer a comprehensive overview of the current state of knowledge in a particular field. The documented book reviews are typically organized into sections, each focusing on a specific aspect of the book, such as the author's background, the book's structure, the methodology used, and the findings presented. This structured approach allows readers to quickly identify the key points of the book and to compare and contrast the findings of different authors. The documented book reviews are also a valuable tool for identifying gaps in the literature and for suggesting areas for further research. By providing a detailed and systematic analysis of published works, the documented book reviews are an essential part of the academic research process.

MODE OF PAYMENT

The mode of payment for the conference is as follows:

- For Institutions: The payment should be made by bank transfer to the account of Shriani College, Kumbhariya.

Human Brain Insights: Harnessing MiRNA as a molecular switch in Stem Cells

GUEST SPEAKER
DR. YOGITA K. ADLAKHA
Assistant Professor and Head of Department of Molecular Biology and Biotechnology, Indian Institute of Technology (IIT) Delhi

ABOUT THE TOPIC
The human brain is a complex organ with a vast network of neurons and glial cells. MicroRNAs (miRNAs) are small non-coding RNA molecules that play a crucial role in gene regulation. They have been implicated in various neurological disorders and have emerged as potential therapeutic targets. This seminar will explore the latest research on miRNAs in the context of brain function and disease.

ACKNOWLEDGEMENT

I am pleased to present the Annual Report for the academic year 2024-25. This compilation would not have been possible without the support and cooperation of many individuals. I sincerely thank the Teachers-in-Charge (TICs), Convenors and members of committees and societies, and all my colleagues for their timely contributions and valuable assistance. Special thanks to Ms. Divya Singh, Student Union Convenor, for her prompt support in gathering essential information. I also thank Prof. Pardeep Rai, Librarian, for promptly providing with the list of publications, which helped us immensely in compiling publications. I am also grateful for the support extended by the non-teaching staff, particularly Ms. Radhika Verma, Senior P.A., and Mr. Ranu Kumar, Administrative Officer, for their consistent cooperation. My sincere appreciation goes to Ms. Nupur Chawla for preparing the Principal's message, Ms. Sneh Lata for translating it into Hindi and Ms. Meenu Kumari for the poem in the message. Last but not least, I wholeheartedly acknowledge the unwavering efforts of my IQAC team members. Their dedication and attention to detail were instrumental in the smooth and timely completion of this report.

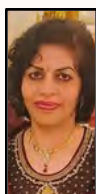

Above all, I extend my heartfelt gratitude to our Principal, Prof. Haritma Chopra, for her constant support, guidance, and valuable insights throughout the preparation of the report.
