

Guidelines for SIP presentations Oct, 2021

Oct 21, 2021 (Economics, Commerce, Computer Science and Maths)

1. Presentation time should be limited to **10 min (8 min presentation + 2 min interaction)**. Marks will be deducted for exceeding the time limit.
2. Limit your ppt to max. 8-10 slides
3. Presentation should include: title slide, introduction, methodology (if required), results, conclusion and selected important references.
4. The first slide should clearly indicate the title of project, names of students with course & year and names of mentors with department.
5. The presentation should only include the work that has been included in the report.
6. At most 2 students can present the findings of the project and the rest can take up the questions.
7. The PPT s should be saved with the project code and dept.
8. The names of students with their roles in presentation along with their PPT should be submitted to research.maitreyi@gmail.com positively by **Oct 18, 2021**.
9. The decision of the jury members will be final.
10. You can follow some instructions about powerpoint presentation in the youtube video <https://youtu.be/c00tw2XZuJ0>
11. The final results will be based on the evaluation of the report and the presentations (equal weightage of both).
12. The presentation will be through ZOOM meeting, the link of which will be shared in the **WhatsApp group ONLY**. Please join the Zoom meeting 15 min before the due time on Oct 21, 2021 to avoid any inconvenience. (Tentative time: 2.00 PM)
13. The order of the presentations will be as per the attached list.
