University of Delhi**

**Notice regarding SIP 2021-22**

Date: 15th June, 2022

This is to notify all the mentors of SIP 2021-22 that they can purchase any chemical/s required for their SIP research project. The amount will be reimbursed by CFR against proper bills. The chemicals should be procured from vendors with whom the college has a rate contract and according to rules and regulations followed by the college for procuring various consumables. The bills can be submitted after the completion of the project.

Also, mentors can mail their requirements (with reasons) of small instruments, if needed, for their research projects to [research.maitreyi@gmail.com](mailto:research.maitreyi@gmail.com).

Once approved by the committee, they can purchase the same following due protocols.
