## Vocal For Local (VFL)

From the year 2023, CFR has started a new programme i.e., 'Vocal for Local'. In this programme, the project proposals that involve mapping, documentation or any such activity that enhances our knowledge about the campus would be included. This year three projects have been selected for this programme.

### Projects approved under 'Vocal for Local' Programme

S. No.	Project Code	Department	Title of the Project	Principal Investigator/Co-Principal Investigator	Students
1	VFL2023_01	Botany	Polymer Encapsulation for Sustainable Preservation of Economically Important Plant Parts, Herbarium and Museum Specimens: An Approach for Long-Term Conservation	Dr Monika Heikrujam, Dr Mansi Gogna, and Dr Vandana	Yasmin, Himanshi Yadav, Renu Sharma, Aakansha Jaipurian, [B.Sc. Life Science II Year]; Seemu, Tanisha Rawat [B.Sc. (H) Botany II Year]
2	VFL2023_02	Botany and Chemistry	QR Coding of Maitreyi College Perennials Showing their Identifying Features and Air Pollution Tolerance Index	Dr Ankita Sehrawat, Dr Pooja Baweja and Prof. Haritma Chopra	Neha Joshi, Jasmine Sharma, Muskan (B.Sc. Life Sciences, 2nd yr); Nikhita Awasthee, Pritee Kumari, Neha Jha [B.Sc. (H) Botany, 2nd yr]
3	VFL2023_03	Physics	Designing of cost-efficient Photoluminescence Spectrophotometer	Dr Parul Yadav, Dr Mansi Dhingra and Dr Shalini Lumb Talwar	Soumya Bajpai, Yuvika Thakur, Lakshita [B.Sc. (H) Physics 2nd and 3rd Year]
<b>Total</b>			<b>03</b>	<b>09</b>	<b>15</b>
