

## **Pragati: Center for Netball for Women**

Maitreyi College has established a sports centre & facility dedicated to promote 'Netball' among young and enthusiastic girls across the country. This facility named as 'PRAGATI' will impart physical ability as well as techniques for playing netball in India. The Centre will provide training to the players who will be participating in upcoming tournaments like Nationals, Central Zonal & University Netball Championship. The Centre will be supervised by Ms. Shipra Verma, Assistant Professor, Department of Physical Education, Maitreyi College. Under this centre, the department of physical education has organised various tournaments at national & state level.
