**Center for Sports for Persons with Intellectual Disabilities**

**SPECIAL OLYMPIC BHARAT - (SOB)**

- Maitreyi College has established a sports center & facility dedicated to promote “FIT INDIA MOVEMENT” initiated by the Department of Physical Education of Maitreyi College, DU.
- It runs FITNESS CENTER for young and enthusiastic Special Olympic players, for both male and female athletes of our country. This facility provides fitness training by adopting the latest technique and methods for playing different games like athletics, basketball, football, softball, volleyball etc. The Centre will also provide training to the players who will be participating in upcoming tournaments like state, nationals and international tournaments and World Summer Games, Berlin 2023.
- The college has started the Fitness & Basketball training center for special players in association with Special Olympic Bharat, 6 days in a week for 2hrs from 1.6.2019 till now. Around 200-300 players have participated in various games and sports activities under this center on alternate days.
- College also provides its own students as volunteers to conduct National & International Tournaments, Workshops and Seminars of SOB.
- College has Organized Yoga Day for Special Olympic Bharat, 100 players and parents have participated in this event in 2017 till now.

## **2. CENTER FOR WHEELCHAIR BASKETBALL PLAYERS**

We also have a wheelchair basketball Para-Athlete Centre, players visit the college every weekend to practice with the Maitreyi Basketball Team. Our college provides them the infrastructure like synthetic basketball to play and place/ space to keep their wheelchairs near the basketball court without charging any fee. College also provides them with specialized coaches and students volunteer to assist them during their practices. The Department of

physical education organizes regular practice sessions and tournaments as well for them.
